Alternative performance measures

SpareBank 1 Nord-Norge's alternative performance measures (APMs), provide relevant additional information to what is otherwise shown in the quarterly financial statements. These key figures are not defined through IFRS and cannot be directly compared with equivalent figures for other companies unless the same definition is used.

The alternative performance measures are not meant to replace any measurements/key figures under IFRS. Non-financial data or key figures governed by IFRS or other regulations, e.g. CRR/CRD, are not defined as APMs. The APMs are presented on a separate page in the quarterly accounts, and show comparable figures for the corresponding period last year.
