- (c) in the case of the first Tranche of any Series of Notes, deliver the Permanent Global Note to the specified common depositary (if the Permanent Global Note is a CGN) or specified common safekeeper (if the Permanent Global Note is a NGN) for Euroclear and/or Clearstream, Luxembourg and, in the case of a Permanent Global Note which is a Eurosystem-eligible NGN, to instruct the common safekeeper to effectuate the same;
- (d) if the Permanent Global Note is a NGN, instruct Euroclear and Clearstream, Luxembourg to make the appropriate entries in their records to reflect the initial outstanding aggregate principal amount of the relevant Tranche of Notes;
- (e) in the case of a subsequent Tranche of any Series of Notes deliver the applicable Final Terms to the specified common depositary or common safekeeper, as the case may be, for attachment to the Permanent Global Note and, in the case where the Permanent Global Note is a CGN, make all appropriate entries on the relevant Schedule to the Permanent Global Note to reflect the increase in its nominal amount or, in the case where the Permanent Global Note is a NGN, instruct Euroclear and Clearstream, Luxembourg to make the appropriate entries in their records to reflect the increased outstanding aggregate principal amount of the relevant Series; and
- (f) ensure that the Notes of each Tranche are assigned, as applicable, security numbers (including, but not limited to, common codes and ISINs) which are different from the security numbers assigned to the Notes of any other Tranche of the same Series until at least the expiry of the Distribution Compliance Period in respect of the Tranche.

3.4 The Agent shall only be required to perform its obligations under this clause 3 if it holds:

- (a) a master Temporary Global Note duly executed by a person or persons duly authorised to execute the same on behalf of the relevant Issuer, which may be used by the Agent for the purpose of preparing Temporary Global Notes in accordance with subclause 3.2;
- (b) a master Permanent Global Note duly executed by a person or persons duly authorised to execute the same on behalf of the relevant Issuer, which may be used by the Agent for the purpose of preparing Permanent Global Notes in accordance with subclause 3.3 and clause 4; and
- (c) signed copies of the applicable Final Terms.

3.5 Each Issuer undertakes to ensure that the Agent receives copies of each document specified in subclause 3.4 in a timely manner.

3.6 Where the Agent delivers any authenticated Global Note to a common safekeeper for effectuation using electronic means, it is authorised and instructed to destroy the Global Note retained by it following its receipt of confirmation from the common safekeeper that the relevant Global Note has been effectuated.

4. EXCHANGE OF GLOBAL NOTES

4.1 The Agent shall determine the Exchange Date for each Temporary Global Note in accordance with its terms. Immediately after determining any Exchange Date, the Agent shall notify its determination to

the relevant Issuer, the other Paying Agents, the relevant Dealer, Euroclear and Clearstream, Luxembourg.

4.2 Where a Temporary Global Note is to be exchanged for a Permanent Global Note, the Agent is authorised by the relevant Issuer and instructed:

- (a) in the case of the first Tranche of any Series of Notes, to prepare and complete a Permanent Global Note in accordance with the terms of the Temporary Global Note applicable to the Tranche by attaching a copy of the applicable Final Terms to a copy of the master Permanent Global Note;
- (b) in the case of the first Tranche of any Series of Notes, to authenticate (or procure the authentication of) the Permanent Global Note;
- (c) in the case of the first Tranche of any Series of Notes, if the Permanent Global Note is a CGN, to deliver the Permanent Global Note to the common depository which is holding the Temporary Global Note representing the Tranche for the time being on behalf of Euroclear and/or Clearstream, Luxembourg to hold on behalf of the relevant Issuer pending its exchange for the Temporary Global Note;
- (d) in the case of the first Tranche of any Series of Notes, if the Permanent Global Note is a NGN, to deliver the Permanent Global Note to the common safekeeper which is holding the Temporary Global Note representing the Tranche for the time being on behalf of Euroclear and/or Clearstream, Luxembourg to effectuate (in the case of a Permanent Global Note which is a Eurosystem-eligible NGN) and to hold on behalf of the Issuer pending its exchange for the Temporary Global Note;
- (e) in the case of a subsequent Tranche of any Series of Notes, if the Permanent Global Note is a CGN, to attach a copy of the applicable Final Terms to the Permanent Global Note applicable to the relevant Series and to enter details of any exchange in whole or part; and
- (f) in the case of a subsequent Tranche of any Series of Notes, if the Permanent Global Note is a NGN, to deliver the applicable Final Terms to the specified common safekeeper for attachment to the Permanent Global Note applicable to the relevant Series.

4.3 Where a Global Note is to be exchanged for Definitive Notes in accordance with its terms, the Agent is authorised by the relevant Issuer and instructed:

- (a) to authenticate (or procure the authentication of) the Definitive Notes in accordance with the provisions of this Agreement; and
- (b) to deliver the Definitive Notes to or to the order of Euroclear and/or Clearstream, Luxembourg.

4.4 Upon any exchange of all or part of an interest in a Temporary Global Note for an interest in a Permanent Global Note or upon any exchange of all or part of an interest in a Permanent Global Note for Definitive Notes, the Agent shall (i), procure that the relevant Global Note shall if it is a CGN, be endorsed by or on behalf of the Agent to reflect the reduction of its nominal amount by the aggregate nominal amount so exchanged and, where applicable, the Permanent Global Note shall be endorsed by or on behalf of the Agent to reflect the increase in its nominal amount as a result of any exchange for an interest in the Temporary Global Note or (ii) in the case of any Global Note which is a NGN, instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such exchange. Until exchanged in full, the holder of an interest in any Global Note shall in all respects be entitled to the same benefits under this Agreement as the holder of Definitive Notes, Receipts and Coupons authenticated and delivered under this Agreement, subject

as set out in the Conditions. The Agent is authorised on behalf of the relevant Issuer and instructed (a) in the case of any Global Note which is a CGN, to endorse or to arrange for the endorsement of the relevant Global Note to reflect the reduction in the nominal amount represented by it by the amount so exchanged and, if appropriate, to endorse the Permanent Global Note to reflect any increase in the nominal amount represented by it and, in either case, to sign in the relevant space on the relevant Global Note recording the exchange and reduction or increase, (b) in the case of any Global Note which is a NGN, to instruct Euroclear and Clearstream to make appropriate entries in their records to reflect such exchange and (c) in the case of a total exchange, to cancel or arrange for the cancellation of the relevant Global Note.

4.5 The Agent shall notify the relevant Issuer as soon as reasonably practicable after it receives a request for the issue of Definitive Notes in accordance with the provisions of a Global Note and the aggregate nominal amount of the Global Note to be exchanged.

4.6 The relevant Issuer undertakes to deliver to the Agent sufficient numbers of executed Definitive Notes with, if applicable, Receipts, Coupons and Talons attached, to enable the Agent to comply with its obligations under this clause.

5. TERMS OF ISSUE

5.1 The Agent shall cause all Notes delivered to and held by it under this Agreement to be maintained in safe custody and shall ensure that Notes are issued only in accordance with the provisions of this Agreement, the Conditions and, where applicable, the relevant Global Notes.

5.2 Subject to the procedures set out in the Procedures Memorandum, for the purposes of clause 3, the Agent is entitled to treat a telephone or electronic communication from a person purporting to be (and whom the Agent believes in good faith to be) an Authorised Person of the relevant Issuer named in the list referred to in, or notified pursuant to, subclause 18.8, or any other list duly provided for the purpose by the relevant Issuer to the Agent, as sufficient instructions and authority of the relevant Issuer for the Agent to act in accordance with clause 3.

5.3 In the event that a person who has signed a master Global Note held by the Agent on behalf of the relevant Issuer ceases to be authorised as described in subclause 18.8, the Agent shall (unless the relevant Issuer gives notice to the Agent that Notes signed by that person do not constitute valid and binding obligations of that Issuer or otherwise until replacements have been provided to the Agent) continue to have authority to issue Notes signed by that person, and the relevant Issuer warrants to the Agent that those Notes shall be valid and binding obligations of that Issuer. Promptly upon any person ceasing to be authorised, the relevant Issuer shall provide the Agent with replacement master Temporary Global Notes and Permanent Global Notes and the Agent shall, upon receipt of such replacements, cancel and destroy the master Global Notes held by it which are signed by that person and shall provide the relevant Issuer with a certificate of destruction, specifying the master Global Notes so cancelled and destroyed.

5.4 If the Agent pays an amount (the **Advance**) to the relevant Issuer on the basis that a payment (the **Payment**) has been or will be received from a Dealer and if the Payment is not received by the Agent on the date the Agent pays the relevant Issuer, the relevant Issuer shall promptly inform the Issuer and request they make good the Payment, failing which the Issuer shall, upon being requested to do so repay to the Agent the Advance and shall pay interest (on the basis of a 360-day year at the rate of the cost to the Agent of funding the payment amount for the relevant period, as certified by the Agent expressed as a rate per annum) on the Advance until the earlier of repayment of the payment amount and receipt in full by the Agent of the Payment. For the avoidance of doubt, the Agent shall not be obliged to pay any amount to the relevant Issuer if it has not received satisfactory confirmation that it is to receive the amount from a Dealer.

- 5.5 Except in the case of issues where the Agent does not act as receiving bank for the relevant Issuer in respect of the purchase price of the Notes being issued, if on the Issue Date a Dealer does not pay the full purchase price due from it in respect of any Note (the **Defaulted Note**) and, as a result, the Defaulted Note remains in the Agent's distribution account with Euroclear and/or Clearstream, Luxembourg after the Issue Date, the Agent will continue to hold the Defaulted Note to the order of the relevant Issuer. The Agent shall notify the relevant Issuer as soon as reasonably practicable of the failure of the Dealer to pay the full purchase price due from it in respect of any Defaulted Note and, subsequently, shall (a) notify the relevant Issuer as soon as reasonably practicable on receipt from the Dealer of the full purchase price in respect of any Defaulted Note and (b) pay to the relevant Issuer the amount so received.

6. PAYMENTS

- 6.1 The relevant Issuer will, before 10.00 a.m. (local time in the relevant principal financial centre of the currency of payment or, in the case of a payment in euro, Frankfurt time), on each date on which any payment in respect of any Note becomes due under the Conditions, transfer to an account specified by the Agent an amount in the relevant currency sufficient for the purposes of the payment in funds settled through such payment system as the Agent and the relevant Issuer may agree.
- 6.2 Any funds paid by or by arrangement with the relevant Issuer to the Agent under subclause 6.1 shall be held in the relevant account referred to in subclause 6.1 for payment to the Noteholders, Receiptholders or Couponholders, as the case may be, until any Notes or matured Receipts and Coupons become void under Condition 9. In that event the Agent shall repay to the relevant Issuer sums equivalent to the amounts which would otherwise have been repayable on the relevant Notes, Receipts or Coupons.
- 6.3 The relevant Issuer will ensure that no later than 10.00 a.m. (London time) on the second Business Day (as defined below) as soon as reasonably practicable preceding the date on which any payment is to be made to the Agent under subclause 6.1, the Agent shall receive a payment confirmation by electronic communication or by irrevocable authenticated SWIFT from the paying bank of the relevant Issuer. For the purposes of this subclause, **Business Day** means a day on which commercial banks and foreign exchange markets settle payments and are open for general business in the Kingdom of Norway and London.
- 6.4 The Agent shall notify each of the other Paying Agents as soon as reasonably practicable:
- (a) if it has not by the relevant date set out in subclause 6.1 received unconditionally the full amount in the Specified Currency required for the payment; and
 - (b) if it receives unconditionally the full amount of any sum payable in respect of the Notes, Receipts or Coupons after that date.

The Agent shall, at the expense of the relevant Issuer, as soon as reasonably practicable on receiving any amount as described in subparagraph (b), cause notice of that receipt to be published under Condition 14.

- 6.5 The Agent shall ensure that payments of both principal and interest in respect of a Temporary Global Note will only be made if certification of non-U.S. beneficial ownership as required by U.S. Treasury regulations (in the form set out in the Temporary Global Note) has been received from Euroclear and/or Clearstream, Luxembourg in accordance with the terms of the Temporary Global Note.
- 6.6 Unless it has received notice under subclause 6.4(a), each Paying Agent shall pay or cause to be paid all amounts due in respect of the Notes on behalf of the relevant Issuer in the manner provided in the Conditions. If any payment provided for in subclause 6.1 is made late but otherwise in accordance

with the provisions of this Agreement, the relevant Paying Agent shall nevertheless make payments in respect of the Notes as stated above following receipt by it of such payment.

- 6.7 If for any reason the Agent considers in its sole discretion that the amounts to be received by it under subclause 6.1 will be, or the amounts actually received by it are, insufficient to satisfy all claims in respect of all payments then falling due in respect of the Notes, no Paying Agent shall be obliged to pay any such claims until the Agent has received the full amount of all such payments.
- 6.8 Without prejudice to subclauses 6.6 and 6.7, if the Agent pays any amounts to the holders of Notes, Receipts or Coupons or to any other Paying Agent at a time when it has not received payment in full in respect of the relevant Notes in accordance with subclause 6.1 (the excess of the amounts so paid over the amounts so received being the **Shortfall**), the relevant Issuer will, in addition to paying amounts due under subclause 6.1, pay to the Agent on demand interest (at a rate which represents the Agent's cost of funding the Shortfall) on the Shortfall (or the unreimbursed portion thereof) until the receipt in full by the Agent of the Shortfall.
- 6.9 The Agent shall on demand promptly reimburse each other Paying Agent for payments in respect of Notes properly made by each Paying Agent in accordance with this Agreement and the Conditions unless the Agent has notified the relevant Paying Agent, prior to its opening of business on the due date of a payment in respect of the Notes, that the Agent does not expect to receive sufficient funds to make payment of all amounts falling due in respect of the Notes.
- 6.10 Whilst any Notes are represented by Global Notes, all payments due in respect of the Notes shall be made to, or to the order of, the holder of the Global Notes, subject to and in accordance with the provisions of the Global Notes. On the occasion of each payment, (i) in the case of a Global Note which is a CGN, the Paying Agent to which any Global Note was presented for the purpose of making the payment shall cause the appropriate Schedule to the relevant Global Note to be annotated so as to evidence the amounts and dates of the payments of principal and/or interest as applicable or (ii) in the case of any Global Note which is a NGN, the Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such payment.
- 6.11 If the amount of principal and/or interest then due for payment is not paid in full (otherwise than by reason of a deduction required by law to be made or by reason of a FATCA Withholding or a certification required by the terms of a Note not being received), (i) the Paying Agent to which a Note, Receipt or Coupon (as the case may be) is presented for the purpose of making the payment shall, unless the Note is a NGN, make a record of the shortfall on the relevant Note, Receipt or Coupon and the record shall, in the absence of manifest error, be *prima facie* evidence that the payment in question has not to that extent been made or (ii) in the case of any Global Note which is a NGN, the Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such Shortfall in payment.
- 6.12 The Paying Agent shall be entitled to deduct FATCA Withholding, and shall have no obligation to gross-up any payment hereunder or to pay any additional amount as a result of such FATCA Withholding.
- 6.13 The Paying Agent shall be entitled to make payments net of any Tax or other sums required by any Applicable Law to be withheld or deducted.
- 6.14 Any funds held are held as banker and not subject to the UK FCA Client Money Rules.

7. DETERMINATIONS AND NOTIFICATIONS IN RESPECT OF NOTES AND INTEREST DETERMINATION

7.1 Determinations and notifications

- (a) The Agent shall, unless otherwise specified in the applicable Final Terms, make all the determinations and calculations which it is required to make under the Conditions, all subject to and in accordance with the Conditions.
- (b) The Agent shall not be responsible to the relevant Issuer or to any third party as a result of the Agent having acted on or relied upon any quotation given by any Reference Bank which subsequently may be found to be incorrect.
- (c) The Agent shall promptly notify (and confirm in writing to) the relevant Issuer, the other Paying Agents and (in respect of a Series of Notes listed on a Stock Exchange) the relevant Stock Exchange of each Rate of Interest, Interest Amount and Interest Payment Date and all other amounts, rates and dates which it is obliged to determine or calculate under the Conditions as soon as practicable after their determination and of any subsequent amendments to them under the Conditions.
- (d) The Agent shall use its best endeavours to cause each Rate of Interest, Interest Amount and Interest Payment Date and all other amounts, rates and dates which it is obliged to determine or calculate under the Conditions to be published as required in accordance with the Conditions as soon as possible after their determination or calculation.
- (e) If the Agent does not at any time for any reason determine and/or calculate and/or publish the Rate of Interest, Interest Amount and/or Interest Payment Date in respect of any Interest Period or any other amount, rate or date as provided in this clause, it shall as soon as reasonably practicable notify the relevant Issuer and the other Paying Agents of that fact and the relevant Issuer shall appoint a replacement Agent for these purposes.
- (f) Determinations with regard to Notes (including, without limitation, the Exempt Notes) required to be made by a Calculation Agent specified in the applicable Final Terms, or in case of Exempt Notes in the applicable Pricing Supplement, shall be made in the manner so specified. Unless otherwise agreed between the relevant Issuer and the relevant Dealer or the Lead Manager, as the case may be, or unless the Agent is the Calculation Agent (in which case the provisions of this Agreement shall apply), those determinations shall be made on the basis of a Calculation Agency Agreement substantially in the form of Schedule 1. Notes of any Series may specify additional duties and obligations of any Paying Agent, the performance of which will be agreed between the relevant Issuer and the relevant Paying Agent prior to the relevant Issue Date.
- (g) Notwithstanding anything included in the ISDA Definitions, prospectus, final terms/pricing supplements, and/or any other transaction document (the "Transaction Documents") for any series of Notes to the contrary, the Issuers agree that the Agent or Citibank, N.A., London Branch (in its capacity as Calculation Agent, if so appointed) will have no obligation to exercise any discretion (including, but not limited to, determinations of alternative or substitute benchmarks, successor reference rates, screen pages, interest adjustment factors/fractions or spreads, market disruptions, benchmark amendment conforming changes, selection and polling of reference banks), and to the extent the Transaction Documents for any series of Notes requires the Calculation Agent to exercise any such discretions and/or make such determinations, such references shall be construed as the Issuers or their financial adviser or alternate agent appointed by the Issuers exercising such discretions and/or determinations and/or actions and not the Calculation Agent."

8. NOTICE OF ANY WITHHOLDING OR DEDUCTION

- 8.1 If the relevant Issuer is, in respect of any payment, compelled to withhold or deduct any amount for or on account of Tax as specifically contemplated under the Conditions, it shall give notice of that fact

to the Agent as soon as it becomes aware of the requirement to make the withholding or deduction and shall give to the Agent such information as it shall require to enable it to comply with the requirement.

- 8.2 Each party shall, within ten business days of a written request by another party, supply to that other party such forms, documentation and other information relating to it, its operations, or any Notes as that other party reasonably requests for the purposes of that other party's compliance with Applicable Law and shall notify the relevant other Party reasonably promptly in the event that it becomes aware that any of the forms, documentation or other information provided by such party is (or becomes) inaccurate and that such inaccuracy is likely to have a material adverse effect for the other Party; provided, however, that no party shall be required to provide any forms, documentation or other information pursuant to this subclause 8.2 to the extent that: (i) any such form, documentation or other information (or the information required to be provided on such form or documentation) is not reasonably available to such party and cannot be obtained by such party using reasonable efforts; or (ii) doing so would or might in the reasonable opinion of such party constitute a breach of any: (a) Applicable Law; (b) fiduciary duty; or (c) duty of confidentiality. The party receiving information shall treat such information as confidential. For purposes of this subclause 8.2, **Applicable Law** shall be deemed to include (i) any rule or practice of any Authority by which any party is bound or with which it is accustomed to comply; (ii) any agreement between any Authorities; and (iii) any agreement between any Authority and any party that is customarily entered into by institutions of a similar nature.
- 8.3 If any Paying Agent is, in respect of any payment of principal or interest in respect of the Notes, compelled to withhold or deduct any amount for or on account of any taxes, duties, assessments or governmental charges as specifically contemplated under the Conditions, other than arising under subclauses 8.1 or 8.2 or by virtue of the relevant holder failing to satisfy any certification or other requirement in respect of its Notes, it shall give notice of that fact to the relevant Issuer and the Agent as soon as it becomes aware of the compulsion to withhold or deduct.

9. DUTIES OF THE PAYING AGENTS IN CONNECTION WITH EARLY REDEMPTION

- 9.1 If the relevant Issuer decides to redeem any Notes for the time being outstanding before their Maturity Date (if any) in accordance with the Conditions, the relevant Issuer shall give notice of the decision to the Agent stating the date on which the Notes are to be redeemed and the nominal amount of Notes to be redeemed not less than 15 days before the date on which the relevant Issuer will give notice to the Noteholders in accordance with the Conditions of the redemption in order to enable the Agent to carry out its duties in this Agreement and in the Conditions.
- 9.2 If some only of the Notes are to be redeemed, the Agent shall, in the case of Definitive Notes, make the required drawing in accordance with the Conditions but shall give the relevant Issuer reasonable notice of the time and place proposed for the drawing and the relevant Issuer shall be entitled to send representatives to attend the drawing and shall, in the case of Notes in global form, co-ordinate the selection of Notes to be redeemed with Euroclear and Clearstream, Luxembourg, all in accordance with the Conditions.
- 9.3 The Agent shall publish the notice required in connection with any redemption and shall, if applicable, at the same time also publish a separate list of the serial numbers of any Notes in definitive form previously drawn and not presented for redemption. The redemption notice shall specify the date fixed for redemption, the applicable record date, the redemption amount, the manner in which redemption will be effected and, in the case of a partial redemption of Definitive Notes, the serial numbers of the Notes to be redeemed. The notice will be published in accordance with the Conditions. The Agent will also notify the other Paying Agents of any date fixed for redemption of any Notes.

10. RECEIPT AND PUBLICATION OF NOTICES

- 10.1 As soon as reasonably practicable after it receives a demand or notice from any Noteholder in accordance with the Conditions, the Agent shall forward a copy to the relevant Issuer.

- 10.2 On behalf of and at the request and expense of the relevant Issuer, the Agent shall cause to be published all notices required to be given by the relevant Issuer to the Noteholders in accordance with the Conditions.

11. CANCELLATION OF NOTES, RECEIPTS, COUPONS AND TALONS

- 11.1 All Notes which are redeemed, all Global Notes which are exchanged in full, all Receipts or Coupons which are paid and all Talons which are exchanged shall be cancelled by the Paying Agent by which they are redeemed, exchanged or paid. In addition, the relevant Issuer shall as soon as reasonably practicable notify the Agent in writing of all Notes which are purchased on behalf of the relevant Issuer or any of its Subsidiaries and all such Notes are surrendered to a Paying Agent for cancellation, together (in the case of Definitive Notes) with all unmatured Receipts, Coupons or Talons (if any) attached to them or surrendered with them, shall be cancelled by the Paying Agent to which they are surrendered. Each of the Paying Agents shall give to the Agent details of all payments made by it and shall deliver all cancelled Notes, Receipts, Coupons and Talons to the Agent or as the Agent may specify. If the Issuer purchases any of its Notes for cancellation, the Issuer shall provide the Agent or Paying Agent instructions in the form agreed to by the Agent or Paying Agent confirming the details of the Notes to be purchased. The Issuer shall provide the instructions to the Agent or Paying Agent no later than two (2) Business Days prior to the date on which the Notes are intended to be purchased and cancelled. Once the Notes have been received by the Agent or Paying Agent, it will request the immediate cancellation of the Notes.
- 11.2 The Agent shall deliver to the relevant Issuer as soon as reasonably practicable and in any event within three months after the date of each repayment, payment, cancellation or replacement, as the case may be, a certificate stating:
- (a) the aggregate nominal amount of Notes which have been redeemed and the aggregate amount paid in respect of them;
 - (b) the number of Notes cancelled together (in the case of Notes in definitive form) with details of all unmatured Receipts, Coupons or Talons attached to them or delivered with them;
 - (c) the aggregate amount paid in respect of interest on the Notes;
 - (d) the total number by maturity date of Receipts, Coupons and Talons cancelled; and
 - (e) (in the case of Definitive Notes) the serial numbers of the Notes.
- 11.3 The Agent shall destroy all cancelled Notes, Receipts, Coupons and Talons and, as soon as reasonably practicable following their destruction and upon written request, send to the relevant Issuer a certificate stating the serial numbers of the Notes (in the case of Notes in definitive form) and the number by maturity date of Receipts, Coupons and Talons destroyed.
- 11.4 Without prejudice to the obligations of the Agent under subclause 11.2, the Agent shall keep a full and complete record of all Notes, Receipts, Coupons and Talons (other than serial numbers of Coupons) and of their redemption, purchase on behalf of the relevant Issuer or any of its Subsidiaries and cancellation, payment or replacement (as the case may be) and of all replacement Notes, Receipts, Coupons or Talons issued in substitution for mutilated, defaced, destroyed, lost or stolen Notes, Receipts, Coupons or Talons. The Agent shall in respect of the Coupons of each maturity retain (in the case of Coupons other than Talons) until the expiry of ten years from the Relevant Date in respect of such Coupons and (in the case of Talons) indefinitely either all paid or exchanged Coupons of that maturity or a list of the serial numbers of Coupons of that maturity still remaining unpaid or unexchanged. The Agent shall at all reasonable times make the record available to the relevant Issuer and any persons authorised by it for inspection and for the taking of copies of it or extracts from it.

- 11.5 The Agent is authorised by the relevant Issuer and instructed to (a) in the case of any Global Note which is a CGN, to endorse or to arrange for the endorsement of the relevant Global Note to reflect the reduction in the nominal amount represented by it by the amount so redeemed or purchased and cancelled and (b) in the case of any Global Note which is a NGN, to instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such redemption or purchase and cancellation, as the case may be; provided, that, in the case of a purchase or cancellation, the relevant Issuer has notified the Agent of the same in accordance with clause 11.1.

12. ISSUE OF REPLACEMENT NOTES, RECEIPTS, COUPONS AND TALONS

- 12.1 The relevant Issuer will cause a sufficient quantity of additional forms of Notes, Receipts, Coupons and Talons to be available, upon request, to the Agent at its specified office for the purpose of issuing replacement Notes, Receipts, Coupons and Talons as provided below.
- 12.2 The Agent will, subject to and in accordance with the Conditions and this clause, cause to be delivered any replacement Notes, Receipts, Coupons and Talons which the relevant Issuer may determine to issue in place of Notes, Receipts, Coupons and Talons which have been lost, stolen, mutilated, defaced or destroyed.
- 12.3 In the case of a mutilated or defaced Note, the Agent shall ensure that (unless otherwise covered by such indemnity as the relevant Issuer may reasonably require) any replacement Note will only have attached to it Receipts, Coupons and Talons corresponding to those (if any) attached to the mutilated or defaced Note which is presented for replacement.
- 12.4 The Agent shall obtain verification in the case of an allegedly lost, stolen or destroyed Note, Receipt, Coupon or Talon in respect of which the serial number is known, that the Note, Receipt, Coupon or Talon has not previously been redeemed, paid or exchanged, as the case may be. The Agent shall not issue any replacement Note, Receipt, Coupon or Talon unless and until the claimant shall have:
- (a) paid the costs and expenses incurred in connection with the issue;
 - (b) provided it with such evidence and indemnity as the relevant Issuer and Agent may reasonably require; and
 - (c) in the case of any mutilated or defaced Note, Receipt, Coupon or Talon, surrendered it to the Agent.
- 12.5 The Agent shall cancel any mutilated or defaced Notes, Receipts, Coupons and Talons in respect of which replacement Notes, Receipts, Coupons and Talons have been issued under this clause and shall furnish the relevant Issuer with a certificate stating the serial numbers of the Notes, Receipts, Coupons and Talons cancelled and, unless otherwise instructed by the relevant Issuer in writing, shall destroy the cancelled Notes, Receipts, Coupons and Talons and give to the relevant Issuer, upon written request, a destruction certificate containing the information specified in subclause 11.3.
- 12.6 The Agent shall, on issuing any replacement Note, Receipt, Coupon or Talon, as soon as reasonably practicable inform the relevant Issuer and the other Paying Agents of the serial number of the replacement Note, Receipt, Coupon or Talon issued and (if known) of the serial number of the Note, Receipt, Coupon or Talon in place of which the replacement Note, Receipt, Coupon or Talon has been issued. Whenever replacement Receipts, Coupons or Talons are issued, the Agent shall also notify the other Paying Agents of the maturity dates of the lost, stolen, mutilated, defaced or destroyed Receipts, Coupons or Talons and of the replacement Receipts, Coupons or Talons issued.
- 12.7 The Agent shall keep a full and complete record of all replacement Notes, Receipts, Coupons and Talons issued and shall make the record available at all reasonable times to the relevant Issuer and any persons authorised by it for inspection and for the taking of copies of it or extracts from it.

- 12.8 Whenever any Note, Receipt, Coupon or Talon for which a replacement Note, Receipt, Coupon or Talon has been issued and in respect of which the serial number is known is presented to a Paying Agent for payment, the relevant Paying Agent shall as soon as reasonably practicable send notice of that fact to the relevant Issuer and the other Paying Agents.
- 12.9 The Paying Agents shall issue further Coupon sheets against surrender of Talons. A Talon so surrendered shall be cancelled by the relevant Paying Agent who (except where the Paying Agent is the Agent) shall inform the Agent of its serial number. Further Coupon sheets issued on surrender of Talons shall carry the same serial number as the surrendered Talon.

13. COPIES OF DOCUMENTS AVAILABLE FOR INSPECTION

Each Paying Agent shall hold available for inspection or collection at its specified office during normal business hours copies of all documents required to be so available by the Conditions of any Notes or the rules of any relevant Stock Exchange (or any other relevant authority). For these purposes, each Issuer shall provide the Paying Agents with sufficient copies of each of the relevant documents. Each Paying Agent shall provide by way of email to a Noteholder copies of all documents required to be so available by the Conditions of any Notes, following the Noteholder's prior written request and provision of proof of holding and identity (in a form satisfactory to the relevant Paying Agent).

14. MEETINGS OF NOTEHOLDERS

- 14.1 The provisions of Schedule 4 shall apply to meetings of the Noteholders and shall have effect in the same manner as if set out in this Agreement.
- 14.2 Without prejudice to subclause 14.1, each of the Paying Agents on the request of any holder of Notes shall issue voting certificates and block voting instructions in accordance with Schedule 4 and shall as soon as reasonably practicable give notice to the relevant Issuer in writing of any revocation or amendment of a block voting instruction. Each of the Paying Agents will keep a full and complete record of all voting certificates and block voting instructions issued by it and will, not less than 24 hours before the time appointed for holding a meeting or adjourned meeting, deposit at such place as the Agent shall approve, full particulars of all voting certificates and block voting instructions issued by it in respect of the meeting or adjourned meeting.

15. COMMISSIONS AND EXPENSES

- 15.1 Each Issuer agrees to pay to the Agent such fees and commissions as each Issuer and the Agent shall separately agree in respect of the services of the Paying Agents under this Agreement together with any out of pocket expenses (including legal, printing, postage, fax, cable and advertising expenses) incurred by the Paying Agents in connection with their services. The applicable Final Terms (or the relevant provisions thereof) will be endorsed upon, or attached to, each Global Note and definitive Note. Reference should be made to “Applicable Final Terms” for a description of the content of Final Terms which will specify which of such terms are to apply in relation to the relevant Notes.

This Note is one of a Series (as defined below) of Notes issued pursuant to the Agency Agreement (as amended and restated) (as defined below). References to the “Issuer” shall be references to the party specified as such in the applicable Final Terms (as defined below).

References herein to the “Notes” shall be references to the Notes of this Series and shall mean:

4. INTEREST

(a) *Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year up to (and including) the Maturity Date.

If the Notes are in definitive form, except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding)

such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest Payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

As used in these Conditions, “Fixed Interest Period” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date.

Except in the case of Notes in definitive form where an applicable Fixed Coupon Amount or Broken Amount is specified in the applicable Final Terms, interest shall be calculated in respect of any period by applying the Rate of Interest to:

- (A) in the case of Fixed Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Fixed Rate Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Fixed Rate Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Fixed Rate Note in definitive form is a multiple of the Calculation Amount, the amount of interest payable in respect of such Fixed Rate Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

In these Conditions:

“Day Count Fraction” means, in respect of the calculation of an amount of interest in accordance with this Condition 4(a):

- (i) if “Actual/Actual (ICMA)” is specified in the applicable Final Terms:
 - (a) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the “Accrual Period”) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
 - (b) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
 - (1) the number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; and
 - (2) the number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and

- (ii) if “30/360” is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest Payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

“Determination Period” means each period from (and including) a Determination Date to but excluding the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date); and

“sub-unit” means, with respect to any currency other than euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to euro, means one cent.

(b) *Interest on Floating Rate Notes*

(i) *Interest Payment Dates*

Each Floating Rate Note bears interest from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:

- (A) the Specified Interest Payment Date(s) in each year specified in the applicable Final Terms; or
- (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each such date, together with each Specified Interest Payment Date, an “Interest Payment Date”) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest Payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period. In these Conditions, “Interest Period” means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date or the relevant payment date if the Notes become payable on a date other than an Interest Payment Date.

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day on the calendar month in which an Interest Payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 4(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (i) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply *mutatis mutandis* or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest Payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next

calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or

- (4) the Preceding Business Day Convention, such Interest Payment Date shall be brought forward to the immediately preceding Business Day.

In these Conditions, “Business Day” means a day which is:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in London and any Additional Business Centre (other than T2) specified in the applicable Final Terms;

(ii) *Rate of Interest*

The Rate of Interest payable from time to time in respect of Floating Rate Notes will be determined in the manner specified in the applicable Final Terms.

(A) *Screen Rate Determination for Floating Rate Notes referencing EURIBOR or STIBOR*

Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate specified in the applicable Final Terms is EURIBOR or STIBOR, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation; or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage rate per annum) for the Reference Rate (being either EURIBOR or STIBOR) which appears or appear, as the case may be, on the Relevant Screen Page (or such replacement page on that service which displays the information) as at the Specified Time on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of (1), no offered quotation appears or, in the case of (2), fewer than three offered quotations appear, in each case as at the Specified Time, the Issuer or an agent appointed by it shall request each of the Reference Banks to provide its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately the Specified Time on the Interest

Determination Date in question. If two or more of the Reference Banks provide the Issuer or an agent appointed by it with offered quotations, the Rate of Interest for the Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of the offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Agent.

If on any Interest Determination Date one only or none of the Reference Banks provides the Issuer or an agent appointed by it with an offered quotation as provided in the preceding paragraph, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Issuer or an agent appointed by it by the Reference Banks or any two or more of them, at which such banks were offered, at approximately the Specified Time on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the Swedish inter-bank market (if the Reference Rate is STIBOR) plus or minus (as appropriate) the Margin (if any) or, if fewer than two of the Reference Banks provide offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean (rounded as provided above) of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, at approximately the Specified Time on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for the purpose) informs the Issuer or an agent appointed by it, it is quoting to leading banks in the Euro-zone inter-bank market (if the Reference Rate is EURIBOR) or the Swedish inter-bank market (if the Reference Rate is STIBOR) plus or minus (as appropriate) the Margin (if any), provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period in place of the Margin relating to that last preceding Interest Period).

For the purposes of this sub-paragraph (A):

“Reference Banks” means (i) in the case of a determination of EURIBOR, the principal Euro-zone office of four major banks in the Euro-zone inter-bank market and (ii) in the case of a determination of STIBOR, the principal Stockholm office of four major banks in the Swedish inter-bank market, in each case as selected by the Issuer or an agent appointed by it.

$$\left[\prod_{i=1}^{d_b} \left(1 + \frac{\text{SARON}_i \times n_i}{360} \right) - 1 \right] \times \frac{360}{d}$$

 - II. if there is no Recommended Replacement Rate within one Zurich Banking Day of the Saron Index Cessation Effective Date, the policy rate of the Swiss National Bank (the “SNB Policy Rate”) for such Zurich Banking Day, giving effect to the SNB Adjustment Spread, if any.

Notwithstanding the above, if the SNB Policy Rate for any Zurich Banking Day with respect to which Saron is to be determined pursuant to sub-paragraph II above has not been published on such Zurich Banking Day, then in respect of such Zurich Banking Day (the “Affected Zurich Banking Day”) and each Zurich Banking Day thereafter, Saron will be replaced by the Replacement Rate, if any, determined in accordance with Condition 4(b)(ii)(B)(6) for purposes of determining the Rate of Interest;

If the Replacement Rate Agent determines to use an alternative rate pursuant to the immediately preceding sentence, it shall select such rate that it has determined is most comparable to the Swiss Average Rate Overnight (the "Existing Rate"), provided that if it determines that there is an appropriate industry-accepted successor rate to the Existing Rate, it shall use such industry-accepted successor rate. Any determination to be made by the Replacement Rate Agent pursuant to this Condition 4(b)(ii)(B)(6), including any determination with respect to a rate or adjustment or of the

occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be made in the sole discretion of the Replacement Rate Agent acting in good faith and in a commercially reasonable manner.

$$\left(\prod_{i=1}^{d_0} \left(1 + \frac{TONA_i \times n_i}{365} \right) - 1 \right) \times \frac{365}{d}$$

where:

“d” means the number of calendar days in the relevant Observation Period;

“d₀” means, for any Observation Period, the number of Tokyo Banking Days in the relevant Observation Period;

“TONA_i” means, in respect of any Tokyo Banking Day falling in the relevant Observation Period, the TONA in respect of that Tokyo Banking Day “i”;

“TONA_i” means, in respect of any Tokyo Banking Day falling in the relevant Observation Period, the TONA in respect of that Tokyo Banking Day “i”.

If, in respect of a relevant Tokyo Banking Day, the Calculation Agent determines that the relevant TONA is not available on the Relevant Screen Page or has not otherwise been published by the relevant authorised distributors and a Benchmark Event has not occurred, such TONA shall be the TONA in respect of the first preceding Tokyo Banking Day for which the TONA was published by the Bank of Japan or such authorised distributors.

In the event that the Rate of Interest cannot be determined in accordance with the foregoing provisions by the Calculation Agent, subject to Condition 4(e), the Rate of Interest shall be (I) that determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum Rate of Interest and/or Minimum Rate of Interest (as the case may be) is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum Rate of Interest or Minimum Rate of Interest relating to the relevant Interest Accrual Period in place of the Margin or Maximum Rate of Interest and/or Minimum Rate of Interest relating to that last preceding Interest Accrual Period); or (II) if there is no such preceding Interest Determination Date, the initial Rate of Interest which would have been applicable to such Series of Notes for the first Interest Accrual Period had the Notes been in issue for a period equal in duration to the scheduled first Interest Accrual Period but ending on, and excluding, the Interest Commencement Date (including applying the Margin and any Maximum Rate of Interest or Minimum Rate of Interest applicable to the first Interest Period).

(D) CMS Rate Determination for Floating Rate Notes

Where CMS Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be determined by the Calculation Agent (as specified in the applicable Final Terms) by reference to the following formula:

(CMS Rate x Multiplier) plus Margin

If the CMS Screen Page is not available, the Issuer or an agent appointed by it shall request each of the CMS Reference Banks to provide its quotation for the Relevant Swap Rate at approximately the Specified Time on the Interest Determination Date in question. If at least three of the CMS Reference Banks provide the Issuer or an agent appointed by it with such quotation, the CMS Rate for such Interest Period shall be the arithmetic mean of such quotations, eliminating the highest quotation (or, in the event of equality, one of the highest) and the lowest quotation (or, in the event of equality, one of the lowest).

If on any Interest Determination Date less than three or none of the CMS Reference Banks provides the Issuer or an agent appointed by it with such quotations as provided in the preceding paragraph, the CMS Rate shall be determined by the Issuer or an agent appointed by it in good faith on such commercial basis as considered appropriate in its absolute discretion, in accordance with standard market practice.

For the purposes of this Condition 4(b)(ii)(D):

“CMS Rate” shall mean the applicable swap rate for swap transactions in the Reference Currency with a maturity of the Designated Maturity, expressed as a percentage, which appears on the CMS Screen Page as

at the Specified Time on the Interest Determination Date in question, all as determined by the Calculation Agent.

“CMS Screen Page” means, where the Reference Currency is Euro, Reuters Screen ICESWAP2 (formerly ISDAFIX2) under the heading "EURIBOR BASIS – EUR" and above the caption "11:00 AM FRANKFURT" or its successor display page, unless otherwise specified in the applicable Final Terms.

“Designated Maturity” shall have the meaning given to this term in the applicable Final Terms.

“Interest Determination Date” means, where the Reference Currency is Euro, the second day on which T2 is open prior to the start of each Interest Period, unless otherwise specified in the applicable Final Terms.

“Margin” shall have the meaning given to this term in the applicable Final Terms.

“Multiplier” shall have the meaning given to this term in the applicable Final Terms.

“Reference Currency” means Euro.

“Relevant Swap Rate” means, where the Reference Currency is Euro, the mid-market annual swap rate determined on the basis of the arithmetic mean of the bid and offered rates for the annual fixed leg, calculated on a 30/360 day count basis, of a fixed-for-floating euro interest rate swap transaction with a term equal to the Designated Maturity commencing on the first day of the relevant Interest Period and in a Representative Amount with an acknowledged dealer of good credit in the swap market, where the floating leg, in each case calculated on an Actual/360 day count basis, is equivalent to EUR-EURIBOR-Reuters (as defined in the ISDA Definitions, as published by the International Swaps and Derivatives Association, Inc. and as amended and updated as at the Issue Date of the first Tranche of the Notes (the "ISDA Definitions")) with a designated maturity determined by the Calculation Agent by reference to standard market practice and/or the ISDA Definition.

(iv) *Minimum Rate of Interest and/or Maximum Rate of Interest*

If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the

provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

(v) *Determination of Rate of Interest and calculation of Interest Amounts*

The Agent will at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. The Agent will calculate the amount of interest (the “Interest Amount”) payable on the Floating Rate Notes for the relevant Interest Period by applying the Rate of Interest to:

- (A) in the case of Floating Rate Notes which are represented by a Global Note, the aggregate outstanding nominal amount of the Notes represented by such Global Note (or, if they are Partly Paid Notes, the aggregate amount paid up); or
- (B) in the case of Floating Rate Notes in definitive form, the Calculation Amount,

and, in each case, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention. Where the Specified Denomination of a Floating Rate Note in definitive form is a multiple of the Calculation Amount, the Interest Amount payable in respect of such Note shall be the product of the amount (determined in the manner provided above) for the Calculation Amount and the amount by which the Calculation Amount is multiplied to reach the Specified Denomination without any further rounding.

“Day Count Fraction” means, in respect of the calculation of an amount of interest in accordance with this Condition 4(b):

- (i) if “Actual/Actual (ISDA)” or “Actual/Actual” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (I) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (II) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if “Actual/365 (Fixed)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if “Actual/365 (Sterling)” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest Payment Date falling in a leap year, 366;
- (iv) if “Actual/360” is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if “30/360”, “360/360” or “Bond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number is 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31 and D₁ is greater than 29, in which case D₂ will be 30;

- (vi) if “30E/360” or “Eurobond Basis” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless such number would be 31, in which case D₂ will be 30;

- (vii) if “30E/360 (ISDA)” is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360, calculated on a formula basis as follows:

$$\text{Day Count Fraction} = \frac{[360 \times (Y_2 - Y_1)] + [30 \times (M_2 - M_1)] + (D_2 - D_1)}{360}$$

where:

“Y₁” is the year, expressed as a number, in which the first day of the Interest Period falls;

“Y₂” is the year, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“M₁” is the calendar month, expressed as a number, in which the first day of the Interest Period falls;

“M₂” is the calendar month, expressed as a number, in which the day immediately following the last day of the Interest Period falls;

“D₁” is the first calendar day, expressed as a number, of the Interest Period, unless (i) that day is the last day of February or (ii) such number would be 31, in which case D₁ will be 30; and

“D₂” is the calendar day, expressed as a number, immediately following the last day included in the Interest Period, unless (i) that day is the last day of February but not the Maturity Date or (ii) such number would be 31, in which case D₂ will be 30.

(vi) *Linear Interpolation*

Where Linear Interpolation is specified as applicable in respect of an Interest Period in the applicable Final Terms, the Rate of Interest for such Interest Period shall be calculated by the Agent by straight line linear interpolation by reference to two rates based on the relevant Reference Rate (where Screen Rate Determination is specified as applicable in the applicable Final Terms), one of which shall be determined as if the Designated Maturity were the period of time for which rates are available next shorter than the length of the relevant Interest Period and the other of which shall be determined as if the Designated Maturity were the period of time for which rates are available next longer than the length of the relevant Interest Period provided however that if there is no rate available for a period of time next shorter or, as the case may be, next longer, then the Agent shall determine such rate at such time and by reference to such sources as it determines appropriate.

“Designated Maturity” means, in relation to Screen Rate Determination, the period of time designated in the Reference Rate.

(vii) *Notification of Rate of Interest and Interest Amounts*

Except where the applicable Final Terms specifies "SARON Compounded" or "TONA" as the Reference Rate, the Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed (by no later than the first day of each Interest Period) and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the fourth London Business Day thereafter. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the Interest Period. Any such amendment will promptly be notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 13. For the purposes of this paragraph, the expression “London Business Day” means a day (other than a Saturday or a Sunday) on which banks and foreign exchange markets are open for general business in London.

Where the applicable Final Terms specifies "SARON Compounded" or "TONA" as the Reference Rate, the Agent or the Calculation Agent, as applicable, will cause the Rate of Interest and each Interest Amount for each Interest Accrual Period and the relevant Interest Payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes are for the time being listed and notice thereof to be published in accordance with Condition 13 as soon as possible after their determination but in no event later than the second Business Day thereafter. Each Rate of Interest, Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without prior notice in the event of an extension or shortening of the relevant Interest Accrual Period. Any such amendment or alternative arrangements will promptly be notified to each stock exchange on which the relevant Floating Rate Notes are for the time being listed and to the Noteholders in accordance with Condition 13.

(viii) *Certificates to be final*

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this Condition 4(b), whether by the Agent or, if applicable, the Calculation Agent, shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the Calculation Agent (if applicable), the other Paying Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent or the Calculation Agent (if applicable) in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

(c) *Exempt Notes*

In the case of Exempt Notes which are also Floating Rate Notes where the applicable Pricing Supplement identifies that Screen Rate Determination or CMS Rate Determination applies to the calculation of interest, if the Reference Rate from time to time is specified in the applicable Pricing Supplement as being other than EURIBOR, STIBOR, SARON Compounded, TONA or CMS Reference Rate, the Rate of Interest in respect of such Exempt Notes will be determined as provided in the applicable Pricing Supplement.

The rate or amount of interest payable in respect of Exempt Notes which are not also Fixed Rate Notes or Floating Rate Notes shall be determined in the manner specified in the applicable Pricing Supplement, provided that where such Notes are Index Linked Interest Notes the provisions of Condition 4(b) shall, save to the extent amended in the applicable Pricing Supplement, apply as if the references therein to Floating Rate Notes and to the Agent were references to Index Linked Interest Notes and the Calculation Agent, respectively, and provided further that the Calculation Agent will notify the Agent of the Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same.

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Pricing Supplement.

(d) *Accrual of interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (1) the date on which all amounts due in respect of such Note have been paid; and
- (2) five days after the date on which the full amount of the moneys payable in respect of such Note has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

(e) *Benchmark replacement*

This Condition 4(e) is applicable only in relation to Notes in respect of which the applicable Final Terms specify that this Condition 4(e) is applicable and references to “Notes” in this Condition 4(e) shall be construed accordingly. Notwithstanding the foregoing provisions of this Condition 4, if the Issuer (in consultation with the Agent (or the person specified in the applicable Final Terms as the party responsible for calculating the Rate of Interest and the Interest Amount(s))) determines that a Benchmark Event has occurred in relation to an Original Reference Rate at any time when the Conditions provide for any Rate of Interest (or the relevant component part thereof) to be determined by reference to such Original Reference Rate, then the following provisions shall apply:

- (i) the Issuer shall use reasonable endeavours to appoint and consult with an Independent Adviser, as soon as reasonably practicable, for the determination (with the Issuer's agreement) of a Successor Rate or, alternatively, if the Independent Adviser and the Issuer agree that there is no Successor Rate, an Alternative Benchmark Rate and, in either case, an Adjustment Spread no later than five (5) Business Days prior to the relevant Interest Determination Date relating to the next succeeding Interest Period (the "IA Determination Cut-off Date") for the purposes of determining the Rate of Interest applicable to the Notes for such next succeeding Interest Period and for all future Interest Periods (subject to the subsequent further operation of this Condition 4(e) during any other future Interest Periods);
- (ii) if the Independent Adviser and the Issuer acting in good faith and in a commercially reasonable manner agree that:
 - (a) there is a Successor Rate, then such Successor Rate shall (as adjusted by the applicable Adjustment Spread provided in Condition 4(e)(iv) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the subsequent operation of this Condition 4(e); or
 - (b) there is no Successor Rate but that there is an Alternative Benchmark Rate, then such Alternative Benchmark Rate shall (as adjusted by the applicable Adjustment Spread as provided in Condition 4(e)(iv) subsequently be used in place of the Original Reference Rate to determine the Rate of Interest (or the relevant component part thereof) for all future payments of interest on the Notes (subject to the subsequent operation of this Condition 4(e));
- (iii) if, following the occurrence of a Benchmark Event and in relation to the determination of the Rate of Interest on the immediately following Interest Determination Date, the Issuer is unable to appoint an Independent Adviser, or if the Independent Adviser and the Issuer cannot agree upon, or cannot select a Successor Rate or, failing which, an Alternative Benchmark Rate or, in either case, an applicable Adjustment Spread prior to the IA Determination Cut-off Date in accordance with sub-paragraph (ii) above and the Relevant Screen Page is no longer available for use, then the Issuer (acting in good faith and in a commercially reasonable manner) may determine which (if any) rate has replaced the Original Reference Rate in customary market usage for purposes of determining floating rates of interest in respect of eurobonds denominated in the Specified Currency, or, if it determines that there is no such rate, which (if any) rate is most comparable to the Original Reference Rate, and the Alternative Benchmark Rate shall be the rate so determined by the Issuer; *provided, however*, that if this sub-paragraph (iii) applies and the Issuer is unable or unwilling to determine an Alternative Benchmark prior to the Interest Determination Date relating to the next succeeding Interest Period in accordance with this sub-paragraph (iii), then the Rate of Interest applicable to the next succeeding Interest Period shall be equal to the Rate of Interest last determined in relation to the Notes in respect of the immediately preceding Interest Period (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Period). For the avoidance of doubt, this sub-paragraph shall apply to the relevant next succeeding Interest Period only and any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, this Condition 4(e);
- (iv) if a Successor Rate or Alternative Rate is determined in accordance with this Condition 4(e), the Issuer, following consultation with the Independent Adviser and acting in good faith and in a commercially reasonable manner, shall determine (A) an Adjustment Spread (which may be expressed as a specified quantum of, or a formula or methodology for determining, such

Adjustment Spread) to be applied to the Successor Rate or Alternative Benchmark Rate (as the case may be) and such Adjustment Spread shall be applied to the Successor Rate or Alternative Benchmark Rate (as the case may be) for each subsequent determination of a relevant Rate of Interest and Interest Amount(s) (or a relevant component part thereof) by reference to such Successor Rate or Alternative Benchmark Rate (as applicable), subject to the subsequent further operation of, and adjustment as provided, this Condition 4(e);

- (v) if any Successor Rate or an Alternative Benchmark Rate and (in either case) the applicable Adjustment Spread is determined in accordance with this Condition 4(e), the Independent Adviser (acting in good faith and with the Issuer's agreement) or the Issuer (as the case may be), may also determine (i) that amendments to these Conditions and/or the Agency Agreement are necessary to ensure the proper operation of such Successor Rate, Alternative Benchmark Rate and/or Adjustment Spread (such amendments, the "Benchmark Amendments") and (ii) the terms of the Benchmark Amendments, then the Issuer may also take necessary action to effect such Benchmark Amendments (and for the avoidance of doubt, the Fiscal Agent shall, at the direction and expense of the Issuer, consent to and effect such consequential amendments to the Agency Agreement and these Conditions as may be required in order to give effect to this Condition 4(e)). No Noteholder consent shall be required in connection with effecting such Benchmark Amendments; and
- (vi) the Issuer shall promptly following the determination of any Successor Rate or Alternative Benchmark Rate and Adjustment Spread give notice thereof and of any Benchmark Amendments to the Fiscal Agent, the Calculation Agent and, in accordance with Condition 13, the Noteholders. Such notice shall be irrevocable and shall specify the effective date of the Benchmark Amendments, if any and will be binding on the Issuer, the Paying Agents and the Noteholders.

Without prejudice to the obligations of the Issuer under Conditions 4(e) (i), (ii), (iii) and (iv), the Original Reference Rate and the fallback provisions provided for in Condition 4(b) will continue to apply unless and until the Fiscal Agent and the Calculation Agent have been notified of the Successor Rate or the Alternative Benchmark Rate (as the case may be), any Adjustment Spread (if applicable) and Benchmark Amendments (if applicable), in accordance with Condition 4(e)(vi).

For the avoidance of doubt, this Condition 4(e) shall apply to the determination of the Rate of Interest on the relevant Interest Determination Date only and the Rate of Interest applicable to any subsequent Interest Periods are subject to the subsequent operation of, and to adjustment as provided in, this Condition 4(e).

Notwithstanding any other provision of this Condition 4(e), no Successor Rate or Alternative Benchmark Rate or Adjustment Spread (as applicable) will be adopted, and no other amendments to the terms of the Notes will be made pursuant to this Condition 4(e), if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to prejudice the qualification of the Notes as:

- (A) in the case of Senior Non-Preferred Notes and Senior Preferred Notes, MREL Eligible Liabilities; or
- (B) in the case of Subordinated Notes, Tier 2 Capital of the Issuer,

or, in the case of Senior Preferred Notes and Senior Non-Preferred Notes only, if and to the extent that, in the determination of the Issuer, the same could reasonably be expected to result in the Relevant Regulator treating a future Interest Payment Date (as applicable) as the effective maturity of the Notes, rather than the relevant Maturity Date.

Notwithstanding any other provision of this Condition 4(e), if in the Calculation Agent and the Fiscal Agent's opinion there is any uncertainty between two or more alternative courses of action in making any determination or calculation under this Condition 4(e), the Calculation Agent and the Fiscal Agent shall

promptly notify the Issuer thereof and the Issuer shall direct the Calculation Agent and the Fiscal Agent in writing as to which alternative course of action to adopt. If the Calculation Agent and the Fiscal Agent are not promptly provided with such direction, or is otherwise unable to make such calculation or determination for any reason, it shall notify the Issuer thereof and the Calculation Agent and the Fiscal Agent shall be under no obligation to make such calculation or determination and shall not incur any liability for not doing so.

Such Benchmark Amendments shall not impose more onerous obligations on the party responsible for determining the Rate of Interest or expose it to any additional duties or liabilities unless such party consent.

In these Conditions, the following terms shall bear the following meanings:

“Adjustment Spread” means either a spread (which may be positive or negative or zero) or a formula or methodology for calculating a spread, in either case, which the Issuer, following consultation with the Independent Adviser and acting in good faith and a commercially reasonable manner, determines should be applied to the relevant Successor Rate or the relevant Alternative Benchmark Rate (as applicable), as a result of the replacement of the Original Reference Rate with the relevant Successor Rate or the relevant Alternative Benchmark Rate (as applicable), and is the spread, formula or methodology which:

- (A) in the case of a Successor Rate, is recommended or formally provided as an option for parties to adopt, in relation to the replacement of the Original Reference Rate with the Successor Rate by any Relevant Nominating Body;
- (B) (if no such recommendation or option has been made (or made available), or in the case of an Alternative Benchmark Rate) the Independent Adviser acting in good faith and a commercially reasonable manner determines is recognised or acknowledged as being in customary usage in international debt capital market transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Benchmark Rate (as the case may be);
- (C) (if no such customary usage is recognised or acknowledged) the Independent Adviser acting in good faith and a commercially reasonable manner determines, is recognised or acknowledged as being the industry standard for over-the-counter derivative transactions which reference the Original Reference Rate, where such rate has been replaced by the Successor Rate or the Alternative Benchmark Rate (as the case may be); or
- (D) (if no such industry standard is recognised or acknowledged) the Issuer, following consultation with the Independent Adviser and acting in good faith and a commercially reasonable manner, determines to be appropriate in order to reduce or eliminate, to the fullest extent reasonably practicable in the circumstances, any economic prejudice or benefit (as the case may be) to Noteholders as a result of the replacement of the Original Reference Rate with the Successor Rate or Alternative Benchmark Rate (as the case may be);

“Alternative Benchmark Rate” means an alternative to the Original Reference Rate which the Independent Adviser and the Issuer acting in good faith and in a commercially reasonable manner agree in accordance with Condition 4(e)(ii) has replaced the Original Reference Rate in customary market usage in the international debt capital markets for the purposes of determining rates of interest (or the relevant component part thereof) for the same interest period and in the same Specified Currency as the Notes or, if the Independent Adviser and the Issuer acting in good faith and in a commercially reasonable manner agree there is no such rate, such other rate as the Independent Adviser and the Issuer acting in good faith and in a commercially reasonable manner agree is most comparable to the Original Reference Rate;

“Applicable MREL Regulations” means, at any time, the laws, regulations, requirements, guidelines and policies then in effect in Norway giving effect to any MREL Requirement or any successor regulations

then applicable to the Issuer, including, without limitation to the generality of the foregoing, CRD, the BRRD and those regulations, requirements, guidelines and policies giving effect to any MREL Requirement or any successor regulations then in effect (whether or not such requirements, guidelines or policies have the force of law and whether or not they are applied generally or specifically to the Issuer or to the Issuer and its subsidiaries);

“Benchmark Amendments” has the meaning given to it in Condition 4(e)(v)

“Benchmark Event” means:

- (A) the Original Reference Rate has ceased to be published for a period of at least five (5) Business Days or ceasing permanently to be calculated, administered and published; or
- (B) the later of (i) the making of a public statement by the administrator of the Original Reference Rate that it will, on or before a specified date, cease publishing such Original Reference Rate permanently or indefinitely (in circumstances where no successor administrator has been appointed that will continue publication of such Original Reference Rate) and (ii) the date falling six months prior to the date specified in (i); or
- (C) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that the Original Reference Rate has been permanently or indefinitely discontinued; or
- (D) the later of (i) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that such Original Reference Rate will, on or before a specified date, be permanently or indefinitely discontinued and (ii) the date falling six months prior to the date specified in (i); or
- (E) the later of (i) the making of a public statement by the supervisor of the administrator of the Original Reference Rate that means that such Original Reference Rate will be prohibited from being used or that its use will (on or before a specified date) be subject to restrictions or adverse consequences, in each case on or before a specified date and (ii) the date falling six months prior to the date specified in (i); or
- (F) it has or prior to the next Interest Determination Date become unlawful for the Agent or the Issuer to calculate any payments due to be made to any Noteholder using the Original Reference Rate (including, without limitation, under the Benchmarks Regulation (EU) 2016/1011 or or under the Benchmarks Regulation (EU) 2016/1011 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018, if applicable); or
- (G) the later of (i) the making of a public statement by the supervisor of the administrator of the Original Reference Rate announcing that such Original Reference Rate is no longer representative or will no longer be representative on or before a specified date, and (ii) the date falling six months prior to the specified date in (i).

5. PAYMENTS

(a) *Method of payment*

Subject as provided below:

- (i) payments in a Specified Currency other than euro will be made by credit or transfer to an account in the relevant Specified Currency maintained by the payee with a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Melbourne or Wellington, respectively); and
- (ii) payments in euro will be made by credit or transfer to a euro account (or any other account to which euro may be credited or transferred) specified by the payee.

Payments will be subject in all cases to (i) any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 7, and (ii) any withholding or deduction required pursuant to an agreement described in Section 1471(b) of the U.S. Internal Revenue Code of 1986 (the “Code”) or otherwise imposed pursuant to Sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or (without prejudice to the provisions of Condition 7) any law implementing an intergovernmental approach thereto.

(b) *Presentation of definitive Notes, Receipts and Coupons*

Payments of principal in respect of definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of definitive Notes, and payments of interest in respect of definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia and its possessions)).

Fixed Rate Notes in definitive form (other than Long Maturity Notes (as defined below)) and save as provided in Condition 5(e) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of ten years after the Relevant Date (as defined in Condition 7) in respect of such principal (whether or not such Coupon would otherwise have become void under Condition 8) or, if later, five years from the date on which such Coupon would otherwise have become due, but in no event thereafter.

Upon any Fixed Rate Note in definitive form becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons will be issued in respect thereof.

Upon the date on which any Floating Rate Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof. A “Long Maturity Note” is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a

Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Interest Payment Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant definitive Note.

(c) *Payments in respect of Global Notes*

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to definitive Notes or otherwise in the manner specified in the relevant Global Note where applicable against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. On the occasion of each payment, (i) in the case of any Global Note which is not issued in new global note (“NGN”) form, a record of such payment made on such Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by the Agent, and (ii) in the case of any Global Note which is an NGN, the Agent shall instruct Euroclear and Clearstream, Luxembourg to make appropriate entries in their records to reflect such payment.

(d) *Specific provisions in relation to payments in respect of certain types of Exempt Notes*

Payments of instalments of principal (if any) in respect of definitive Notes, other than the final instalment, will (subject as provided below) be made in the manner provided in Condition 5(a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt in accordance with the preceding paragraph. Payment of the final instalment will be made in the manner provided in Condition 5(a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Note in accordance with the preceding paragraph. Each Receipt must be presented for payment of the relevant instalment together with the definitive Note to which it appertains. Receipts presented without the definitive Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any definitive Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Upon the date on which any Dual Currency Note or Index Linked Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons shall be made in respect thereof.

(e) *General provisions applicable to payments*

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note.

Notwithstanding the foregoing provisions of this Condition, if any amount of principal and/or interest in respect of Notes is payable in U.S. dollars, such U.S. dollar payments of principal and/or interest in respect of such Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S.

dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;

- (ii) payment of the full amount of such principal and interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

(f) *Payment Day*

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a Payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, “Payment Day” means any day which (subject to Condition 8) is:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
 - (A) in the case of Notes in definitive form only, the relevant place of presentation; and
 - (B) in any Additional Financial Centre (other than T2) specified in the applicable Final Terms;
 - (C) if T2 is specified as an Additional Financial Centre in the applicable Final Terms, a day on which T2 is open; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency which, if the Specified Currency is Australian dollars or New Zealand dollars, shall be Melbourne or Wellington, respectively) or (2) in relation to any sum payable in euro, a day on which T2 is open.

- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) the Optional Redemption Amount (Clean-up call) of the Notes;
- (vi) in relation to Exempt Notes redeemable in instalments, the Instalment Amounts; and
- (vii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.

Any reference in these Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 7.

6. REDEMPTION AND PURCHASE

(a) *Redemption at maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in the applicable Final Terms in the relevant Specified Currency on the Maturity Date specified in the applicable Final Terms.

(b) *Redemption for tax reasons*

Subject to obtaining any required prior written consent of the Relevant Regulator, as provided in Condition 6(j), the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note), on giving not less than the minimum period nor more than the maximum period of notice specified in the applicable Final Terms to the Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable), if:

- (i) on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 7 as a result of any change in, or amendment to, the laws or regulations of Norway or any authority therein having power to tax or any political subdivision thereof, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the date on which agreement is reached to issue the first Tranche of the Notes;
 - (ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it; and

- ((i), (ii) and (as applicable) (iii) together, a “Tax Event”)

provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Agent to make available at its specified office to the Noteholders (i) a certificate signed by two Directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and (ii) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

Notes redeemed pursuant to this Condition 6(b) will be redeemed at their Early Redemption Amount referred to in paragraph (d) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

(c) *Redemption at the option of the Issuer (Issuer Call)*

Subject to obtaining any required prior written consent of the Relevant Regulator as provided in Condition 6(j), if Issuer Call is specified in the applicable Final Terms, the Issuer may, having given:

Any such redemption must be of a nominal amount not less than the Minimum Redemption Amount or not more than a Maximum Redemption Amount, in each case as may be specified in the applicable Final Terms. (d) *Clean-up Call Option*

Subject to obtaining any required prior written consent of the Relevant Regulator as provided in Condition 6(j), if Clean-up Call Option is specified in the applicable Final Terms as being applicable and if, at any time (other than as a direct result of a redemption of some, but not all, of the Notes at a price greater than the aggregate nominal amount of the Notes at the Issuer's option pursuant to Condition 6(c)), the aggregate outstanding nominal amount of the Notes of the relevant Series is 20 per cent. (or such other amount as may be specified as the Clean-up Call Threshold in the relevant Final Terms) or less of the aggregate nominal amount of the Notes originally issued (and, for these purposes, any further Notes issued pursuant to Condition 15 and consolidated with the Notes as part of the same Series shall be deemed to have been originally issued), the Issuer may redeem all (but not some only) of the remaining outstanding Notes on any date (or, if the Floating Rate Note Provisions are specified in the relevant Final Terms as being applicable, on any Interest Payment Date) upon giving not less than 15 nor more than 60 days' notice to the Holders (or such other notice period as may be specified in the relevant Final Terms) (which notice shall specify the date for redemption and shall be irrevocable), at the Optional Redemption Amount (Clean-up Call) (as specified in the relevant Final Terms) together with any accrued and unpaid interest up to (but excluding) the date of redemption.

- (i) Each Note (other than a Zero Coupon Note) will be redeemed at its Early Redemption Amount; and
- (ii) each Zero Coupon Note will be redeemed at its Early Redemption Amount calculated in accordance with the following formula:

$$\text{Early Redemption} = RP(1 + AY)^Y$$

where:

"RP" means the Reference Price;

"AY" means the Accrual Yield expressed as a decimal; and

“y” is the Day Count Fraction specified in the applicable Final Terms which will be either (i) 30/360 (in which case the numerator will be equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (ii) Actual/360 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 360) or (iii) Actual/365 (in which case the numerator will be equal to the actual number of days from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator will be 365,

(f) *Specific redemption provisions applicable to certain types of Exempt Notes*

Such Notes may be held, reissued, resold or, at the option of the Issuer, surrendered to any Paying Agent for cancellation.

(h) *Cancellation*

Subject as provided in Condition 6(j), all Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts, Coupons and Talons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and any Notes purchased and cancelled pursuant to paragraph (g) above (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be reissued or resold.

(i) *Late payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b) or (c) or upon its becoming due and repayable as provided in Condition 9 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (d)(ii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and

- (ii) five days after the date on which the full amount of the moneys payable in respect of such Zero Coupon Notes has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 13.

(j) *Consent*

No early redemption in any circumstances, purchase under Condition 6(g), substitution or variation under Condition 6(m) (in the case of Subordinated Notes) or substitution or variation under Condition 6(n) (in the case of Senior Preferred Notes and Senior Non-Preferred Notes) shall take place without the prior written consent of the Relevant Regulator (in each case as then required by the Relevant Regulator and, in the case of Senior Preferred Notes and Senior Non-Preferred Notes, by the Applicable MREL Regulations). In addition, in respect of any redemption of Subordinated Notes pursuant to Condition 6(b) or 6(k) only, and except to the extent the Relevant Regulator no longer so requires, the Issuer may only redeem the Subordinated Notes before five years after the Issue Date if the Issuer demonstrates to the satisfaction of the Relevant Regulator that the circumstance that entitles it to exercise such right of redemption was not reasonably foreseeable as at the Issue Date of the last Tranche of the Notes. For the avoidance of doubt, redemption of Notes under Condition 6(a) or repayment pursuant to Condition 9, shall not require the consent of the Relevant Regulator.

(k) *Redemption of Subordinated Notes upon Capital Event*

This Condition 6(k) applies only to Subordinated Notes and references to “Notes” and “Noteholders” in this Condition shall be construed accordingly.

Upon the expiry of such notice, the Issuer shall redeem the Notes.

A “Capital Event” means the determination by the Issuer, after consultation with the Relevant Regulator, that, as a result of a change in Norwegian law or Applicable Banking Regulations or any change in the official application or interpretation thereof becoming effective on or after the Issue Date of the last Tranche of the Notes, the Subordinated Notes are either partially or fully excluded from the Tier 2 Capital, such determination to be confirmed by the Issuer in a certificate signed by two authorised signatories of the Issuer.

(l) *Redemption upon a MREL Disqualification Event*

This Condition 6(l) applies only where this Condition 6(l) is specified as being applicable in the applicable Final Terms, and references to “Notes” and “Noteholders” in this Condition shall be construed accordingly.

Subject to obtaining the prior written consent of the Relevant Regulator as provided in Condition 6(j), if a MREL Disqualification Event occurs, the Issuer may, at its option, on giving not less than 15 nor more than 30 days’ notice (or, if applicable, such other minimum period and maximum period of notice as specified in the applicable Final Terms) to the Agent and, in accordance with Condition 13, the Noteholders (which

notice shall be irrevocable and shall specify the date fixed for redemption), at any time (if this Note is not a Floating Rate Note) or on any Interest Payment Date (if this Note is a Floating Rate Note) redeem all (but not some only) of the Notes at their Early Redemption Amount referred to in Condition 6(d) together (if appropriate) with interest accrued to (but excluding) the date of redemption. Upon the expiry of such notice, the Issuer shall redeem the Notes.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Agent to make available at its specified office to the Noteholders (i) a certificate signed by two authorised signatories of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred.

“MREL Disqualification Event” means the determination by the Issuer that, as a result of a change in any Applicable MREL Regulations or any change in the official application or interpretation thereof becoming effective on or after the Issue Date of the last Tranche of the Notes, the Notes will be fully excluded or partially excluded from the eligible liabilities and/or loss-absorbing capacity (or any equivalent or successor terms) available to meet any MREL Requirement (however called or defined by then Applicable MREL Regulations) if the Issuer is then or, as the case may be, will be subject to such MREL Requirement, provided that a MREL Disqualification Event shall not occur where such exclusion is or will be caused by (i) the remaining maturity of the Notes being less than any period prescribed by any applicable eligibility criteria under the Applicable MREL Regulations, or (ii) any applicable limits on the amount of eligible liabilities (or any equivalent or successor term) permitted or allowed to meet any MREL Requirement(s) being exceeded.

(m) *Substitution or Variation – Subordinated Notes*

This Condition 6(m) applies only to Subordinated Notes and where this Condition 6(m) is specified as being applicable in the applicable Final Terms, and references to “Notes”, “Noteholders” and “Couponholders” in this Condition shall be construed accordingly.

If at any time a Capital Event occurs and is continuing, or in order to ensure the effectiveness and enforceability of Condition 18, the Issuer may, subject to the provisions of Condition 6(j) (without any requirement for the consent or approval of the Noteholders or the Couponholders) on giving not less than 15 nor more than 30 days’ notice (or, if applicable, such other minimum period and maximum period of notice as specified in the applicable Final Terms) to the Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable) either substitute all (but not some only) of the Notes for, or vary the terms of the Notes (including changing the governing law of Condition 18, from English law to Norwegian law) so that they remain or, as appropriate, become, Qualifying Subordinated Securities (as defined below), provided that such substitution or variation does not itself give rise to any right of the Issuer to redeem the substituted or varied securities that are inconsistent with the redemption provisions of the Notes.

“Qualifying Subordinated Securities” means securities issued directly or indirectly by the Issuer that:

- (i) other than in the case of a change to the governing law of Condition 18 to Norwegian law in order to ensure the effectiveness and enforceability of Condition 18, have terms not materially less favourable to the Noteholders as a class than the terms of the Notes (as reasonably determined by the Issuer, and provided that a certification to such effect of two authorised Directors of the Issuer shall have been delivered to the Agent not less than five Business Days prior to (i) in the case of a substitution of the Notes, the issue of the relevant securities or (ii) in the case of a variation of the Notes, such variation, as the case may be), and, subject thereto, they shall (i) have a ranking at least equal to that of the Notes prior to such substitution or variation, as the case may be, (ii) have the same interest rate and the same Interest Payment Dates as those from time to time applying to the Notes prior to such substitution or variation, as the case may be, (iii) have the same redemption rights as the Notes prior to such substitution or variation, as the case may be, (iv) comply with the then current requirements of the Relevant Regulator in relation to Tier 2 capital, (v) preserve any existing rights under the Notes to any accrued interest which has not been paid in respect of the period from (and including) the

Interest Payment Date last preceding the date of substitution or variation, as the case may be, or, if none, the Interest Commencement Date, (vi) shall not at such time, following the substitution or variation pursuant to this Condition 6(m), be subject to a Capital Event or a Tax Event, and (vii) where Notes which have been substituted or varied had a published rating from a rating agency immediately prior to such substitution or variation, each such rating agency has ascribed, or announced its intention to ascribe, an equal or higher published rating to the relevant Qualifying Subordinated Securities, unless any downgrade is solely attributable to a change in the governing law of Condition 18 to Norwegian law in order to ensure the effectiveness and enforceability of Condition 18; and

- (ii) are listed on a recognised stock exchange, if the Notes were listed immediately prior to such substitution or variation, as selected by the Issuer.

(n) *Substitution or Variation – Senior Preferred Notes and Senior Non-Preferred Notes*

This Condition 6(n) applies only to Senior Preferred Notes and Senior Non-Preferred where this Condition 6(n) is specified as being applicable in the applicable Final Terms, and references to “Notes”, “Noteholders” and “Couponholders” in this Condition shall be construed accordingly.

If at any time a MREL Disqualification Event occurs and is continuing, or in order to ensure the effectiveness and enforceability of Condition 18, the Issuer may, subject to the provisions of Condition 6(j) (without any requirement for the consent or approval of the Noteholders or the Couponholders) on giving not less than 15 nor more than 30 days’ notice (or, if applicable, such other minimum period and maximum period of notice as specified in the applicable Final Terms) to the Agent and, in accordance with Condition 13, the Noteholders (which notice shall be irrevocable) either substitute all (but not some only) of the Notes for, or vary the terms of the Notes (including changing the governing law of Condition 18, from English law to Norwegian law) so that they remain or, as appropriate, become, Qualifying MREL Securities (as defined below), provided that such substitution or variation does not itself give rise to any right of the Issuer to redeem the substituted or varied securities that are inconsistent with the redemption provisions of the Notes.

“Qualifying MREL Securities” means securities issued directly or indirectly by the Issuer that:

- (i) other than in the case of a change to the governing law of Condition 18 to Norwegian law in order to ensure the effectiveness and enforceability of Condition 18, have terms not materially less favourable to the Noteholders as a class than the terms of the Notes (as reasonably determined by the Issuer, and provided that a certification to such effect of two authorised Directors of the Issuer shall have been delivered to the Agent not less than five Business Days prior to (i) in the case of a substitution of the Notes, the issue of the relevant securities or (ii) in the case of a variation of the Notes, such variation, as the case may be), and, subject thereto, they shall (A) have a ranking at least equal to that of the Notes prior to such substitution or variation, as the case may be, (B) have the same interest rate and the same Interest Payment Dates as those from time to time applying to the Notes prior to such substitution or variation, as the case may be, (C) have the same redemption rights as the Notes prior to such substitution or variation, as the case may be, (D) comply with the then current requirements in relation to eligible liabilities (or any equivalent or successor term) provided for in the Applicable MREL Regulations, (E) preserve any existing rights under the Notes to any accrued interest which has not been paid in respect of the period from (and including) the Interest Payment Date last preceding the date of substitution or variation, as the case may be, or, if none, the Interest Commencement Date, (F) shall not at such time, following the substitution or variation pursuant to this Condition 6(n), be subject to a an MREL Disqualification Event or a Tax Event, and (G) where Notes which have been substituted or varied had a published rating from a rating agency immediately prior to such substitution or variation, each such rating agency has ascribed, or announced its intention to ascribe, an equal or higher published rating to the relevant Qualifying MREL Securities, unless any downgrade is solely attributable to a change

in the governing law of Condition 18 to Norwegian law in order to ensure the effectiveness and enforceability of Condition 18; and

- (ii) are listed on a recognised stock exchange, if the Notes were listed immediately prior to such substitution or variation, as selected by the Issuer.

7. TAXATION

All payments of principal and interest in respect of the Notes, Receipts and Coupons by the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties of whatever nature imposed or levied by or on behalf of the Kingdom of Norway or any political subdivision or any authority thereof or therein having power to tax unless such withholding or deduction is required by law. In such event, in the case of payments of interest only, the Issuer will pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the amount of interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:

- (a) the holder of which is liable for such taxes or duties in respect of such Note, Receipt or Coupon by reason of the holder some connection with the Kingdom of Norway other than the mere holding of such Note, Receipt or Coupon; or
- (b) presented for payment by more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same for payment on such thirtieth day assuming that day to have been a Payment Day (as defined in Condition 5(f)).

As used in these Conditions the “Relevant Date” means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 13.

8. PRESCRIPTION

The Notes, Receipts and Coupons will become void unless claims in respect of principal and/or interest are made within a period of ten years (in the case of principal) and five years (in the case of interest) after the Relevant Date (as defined in Condition 7) thereof.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 5(b) or any Talon which would be void pursuant to Condition 5(b).

9. EVENTS OF DEFAULT

- (a) *Events of Default*

If any one or more of the following events (each an “Event of Default”) shall occur and be continuing:

- (i) the Issuer goes into liquidation by way of public administration (except in connection with a merger or reorganisation in such a way that all or substantially all of the assets and liabilities of the Issuer (including its obligations in respect of the Notes) pass to another legal person in universal succession by operation of law); or

- (ii) insolvency proceedings are instituted against the Issuer which shall not have been dismissed or stayed within 60 days after institution, or if insolvency proceedings are instituted by the Issuer in respect of itself, and (in each case) such insolvency proceedings are continuing,

then any holder of any Notes may, by written notice to the Issuer at the specified office of the Agent, effective upon the date of receipt thereof by the Agent, declare any Notes held by the holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at the Early Redemption Amount (as described in Condition 6(d)), together with accrued interest (if any) to but excluding the date of repayment, without presentment, demand, protest or other notice of any kind.

(b) *Limitation of remedy*

Without prejudice to Noteholders' rights under Condition 9(a), no holder of a Note shall be entitled to take any steps, actions or proceedings against the Issuer to enforce any payment obligation of the Issuer under or arising from the Notes (including, without limitation, payment of any principal or interest in respect of the Notes, or any damages awarded for breach of any obligations in respect thereof), and in no event shall the Issuer, by virtue of the taking of any such steps, action or proceedings, be obliged to pay any sum or sums, in cash or otherwise, sooner than the same would otherwise have been payable by it pursuant to these Conditions in respect of the Notes, nor will any Noteholder accept the same, otherwise than during or after a winding up, liquidation or dissolution of the Issuer.

10. REPLACEMENT OF NOTES, RECEIPTS, COUPONS AND TALONS

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Paying Agent in Luxembourg upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

11. PAYING AGENTS

The names of the initial Paying Agents and their initial specified offices are set out below. If any additional Paying Agents are appointed in connection with any Series, the names of such Paying Agents will be specified in Part B of the applicable Final Terms.

The Issuer is entitled to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (a) there will at all times be an Agent;
- (b) so long as the Notes are listed on any stock exchange or admitted to listing by any other relevant authority, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange or any other relevant authority; and
- (c) there will at all times be a Paying Agent in a jurisdiction within Europe, other than the jurisdiction in which the Issuer is incorporated.

Furthermore, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in Condition 5(e). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 13.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholder, Receiptholder or Couponholder. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

12. EXCHANGE OF TALONS

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 8.

13. NOTICES

All notices regarding the Notes will be deemed to be validly given if published (i) in a leading English language daily newspaper of general circulation in London, and (ii) if and for so long as the Notes are listed on the Official List of the Luxembourg Stock Exchange and admitted to trading on the regulated market of the Luxembourg Stock Exchange, a daily newspaper of general circulation in Luxembourg and on the website of the Luxembourg Stock Exchange (www.luxse.com). It is expected that such publication will be made in the Financial Times in London and the *Luxemburger Wort* in Luxembourg. the quorum shall be one or more persons present holding Notes or voting certificates or being proxies and holding or representing in the aggregate not less than two-thirds in nominal amount of the Notes for the time being outstanding.

6. If within 15 minutes after the time appointed for any meeting a quorum is not present the meeting shall if convened upon the requisition of Noteholders be dissolved. In any other case it shall be adjourned to the same day in the next week (or if such day is a public holiday the next succeeding business day) at the same time and place (except in the case of a meeting at which an Extraordinary Resolution is to be proposed in which case it shall be adjourned for a period being not less than 14 days nor more than 42 days and at a place appointed by the Chair and approved by the Agent) and at the adjourned meeting one or more persons present holding Notes or voting certificates or being proxies (whatever the nominal amount of the Notes so held or represented by them) shall (subject as provided below) form a quorum and shall (subject as provided below) have power to pass any Extraordinary Resolution or other resolution and to decide upon all matters which could properly have been dealt with at the meeting from which the adjournment took place had the requisite quorum been present provided that at any adjourned meeting the business of which includes any of the matters specified in the proviso to paragraph 5 the quorum shall be one or more persons present holding Notes or voting certificates or being proxies and holding or representing in the aggregate not less than one-third in nominal amount of the Notes for the time being outstanding.
7. Notice of any adjourned meeting at which an Extraordinary Resolution is to be submitted shall be given in the same manner as notice of an original meeting but as if 10 were substituted for 21 in paragraph 3 and the notice shall (except in cases where the proviso to paragraph 6 shall apply when it shall state the relevant quorum) state that one or more persons present holding Notes or voting certificates or being proxies at the adjourned meeting whatever the nominal amount of the Notes held or represented by them will form a quorum. Subject to this it shall not be necessary to give any notice of an adjourned meeting.

8. Every question submitted to a meeting shall be decided in the first instance by a show of hands and in the case of an equality of votes the Chair shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which they may be entitled as a Noteholder or as a holder of a voting certificate or as a proxy.
9. At any meeting, unless a poll is (before or on the declaration of the result of the show of hands) demanded by the Chair or the relevant Issuer or by one or more persons present holding Notes or voting certificates or being proxies (whatever the nominal amount of the Notes so held by them), a declaration by the Chair that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution.
10. Subject to paragraph 12, if at any meeting a poll is demanded it shall be taken in the manner and, subject as provided below, either at once or after an adjournment as the Chair may direct and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the meeting for the transaction of any business other than the motion on which the poll has been demanded.
11. The Chair may with the consent of (and shall if directed by) any meeting adjourn the same from time to time and from place to place but no business shall be transacted at any adjourned meeting except business which might lawfully (but for lack of required quorum) have been transacted at the meeting from which the adjournment took place.
12. Any poll demanded at any meeting on the election of a Chair or on any question of adjournment shall be taken at the meeting without adjournment.
13. Any director or officer of the relevant Issuer and its lawyers and financial advisers may attend and speak at any meeting. Subject to this, but without prejudice to the proviso to the definition of **outstanding** in clause 1 of this Agreement, no person shall be entitled to attend and speak nor shall any person be entitled to vote at any meeting of the Noteholders or join with others in requisitioning the convening of a meeting unless they either produces the Note or Notes of which they are the holder or a voting certificate or is a proxy. Neither the relevant Issuer nor any of its Subsidiaries shall be entitled to vote at any meeting in respect of Notes held by it for the benefit of any such company and no other person shall be entitled to vote at any meeting in respect of Notes held by it for the benefit of any such company. Nothing contained in this paragraph shall prevent any of the proxies named in any block voting instruction from being a director, officer or representative of or otherwise connected with the relevant Issuer.
14. Subject as provided in paragraph 13 at any meeting:
 - (a) on a show of hands every person who is present in person and produces a Note or voting certificate or is a proxy shall have one vote; and
 - (b) on a poll every person who is so present shall have one vote in respect of:

or such other amount as the Agent shall in its absolute discretion stipulate in nominal amount of Notes so produced or represented by the voting certificate so produced or in respect of which they are a proxy.

Without prejudice to the obligations of the proxies named in any block voting instruction any person entitled to more than one vote need not use all their votes or cast all the votes to which they are entitled in the same way.

15. The proxies named in any block voting instruction need not be Noteholders.
16. Each block voting instruction together (if so requested by the relevant Issuer) with proof satisfactory to the relevant Issuer of its due execution on behalf of the relevant Paying Agent shall be deposited not less than 24 hours before the time appointed for holding the meeting or adjourned meeting at which the proxies named in the block voting instruction propose to vote at a place approved by the Agent and in default the block voting instruction shall not be treated as valid unless the Chair of the meeting decides otherwise before the meeting or adjourned meeting proceeds to business. A certified copy of each block voting instruction shall be deposited with the Agent before the commencement of the meeting or adjourned meeting but the Agent shall not as a result be obliged to investigate or be concerned with the validity of or the authority of the proxies named in the block voting instruction.
17. Any vote given in accordance with the terms of a block voting instruction shall be valid notwithstanding the previous revocation or amendment of the block voting instruction or of any of the Noteholders' instructions under which it was executed provided that no notice in writing of the revocation or amendment shall have been received from the relevant Paying Agent by the relevant Issuer at its registered office (or any other place approved by the Agent for the purpose) by the time being 24 hours before the time appointed for holding the meeting or adjourned meeting at which the block voting instruction is to be used.
18. A meeting of the Noteholders shall in addition to the powers set out above have the following powers exercisable by Extraordinary Resolution (subject to the provisions relating to quorum contained in paragraphs 5 and 6) only, namely:
 - (a) power to sanction any compromise or arrangement proposed to be made between the relevant Issuer and the Noteholders, Receiptholders and Couponholders or any of them;

relevant Issuer or any other company formed or to be formed, or for or into or in consideration of cash, or partly for or into or in consideration of shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or securities as stated above and partly for or into or in consideration of cash; and

- (g) power to approve the substitution of any entity in place of the relevant Issuer (or any previous substitute) as the principal debtor in respect of the Notes, the Receipts and the Coupons.

19. Any resolution (i) passed at a meeting of the Noteholders duly convened and held (ii) passed as a resolution in writing or (iii) passed by way of electronic consents given by Noteholders through the relevant clearing system(s) in accordance with these provisions shall be binding upon all the Noteholders whether present or not present at the meeting referred to in (i) above and whether or not voting and upon all Couponholders and Receiptholders and each of them shall be bound to give effect to the resolution accordingly and the passing of any resolution shall be conclusive evidence that the circumstances justify its passing. Notice of the result of voting on any resolution duly considered by the Noteholders shall be published in accordance with Condition 14 by the relevant Issuer within 14 days of the result being known provided that non-publication shall not invalidate the resolution.
20. The expression **Extraordinary Resolution** when used in this Agreement or the Conditions means (a) a resolution passed at a meeting of the Noteholders duly convened and held in accordance with these provisions by a majority consisting of not less than 75 per cent. of the persons voting on the resolution upon a show of hands or if a poll was duly demanded then by a majority consisting of not less than 75 per cent. of the votes given on the poll or (b) a resolution in writing signed by or on behalf of the holders of not less than 75 per cent. in nominal amount of the Notes for the time outstanding, which resolution in writing may be contained in one document or several documents in similar form each signed by or on behalf of one or more of the Noteholders or (c) consent given by way of electronic consents through the relevant clearing system(s) (in a form satisfactory to the Agent) by or on behalf of the holders of not less than 75 per cent. in nominal amount of the Notes for the time being outstanding.
21. Minutes of all resolutions and proceedings at every meeting shall be made and duly entered in books to be from time to time provided for that purpose by the relevant Issuer and any minutes signed by the Chair of the meeting at which any resolution was passed or proceedings had shall be conclusive evidence of the matters contained in them and until the contrary is proved every meeting in respect of the proceedings of which minutes have been made shall be deemed to have been duly held and convened and all resolutions passed or proceedings had at the meeting to have been duly passed or had.
22. Subject to all other provisions contained in this Schedule the Agent may without the consent of the relevant Issuer, the Noteholders, the Receiptholders or the Couponholders prescribe any further regulations regarding the requisitioning and/or the holding of meetings of Noteholders and attendance and voting at them as the Agent may in its sole discretion think fit (including, without limitation, the holding of meetings by conference call, including by use of a videoconference platform in circumstances where it may be impractical or inadvisable to hold physical meetings).

TEMPORARY GLOBAL NOTE

This Global Note is a Temporary Global Note in respect of a duly authorised issue of Notes (the **Notes**) of [SPAREBANK 1 SMN/ SPAREBANK 1 NORD-NORGE/ SPAREBANK 1 ØSTLANDET]¹ (the **Issuer**) described, and having the provisions specified, in Part A of the attached Final Terms (the **Final Terms**) or, in the case of Exempt Notes, in Part A of the attached Pricing Supplement (the **Pricing Supplement**). References in this Global Note to the Conditions shall be to the Terms and Conditions of the Notes as set out in Schedule 2 to the Agency Agreement (as defined below) as completed by the information set out in (i) the Final Terms or (ii), in the case of Exempt Notes, the Pricing Supplement which may modify and supplement such Terms and Conditions, but in the event of any conflict between the provisions of (i) that Schedule or (ii) this Global Note and the information set out in the Final Terms or the Pricing Supplement, as the case may be, the Final Terms or the Pricing Supplement, as the case may be, will prevail.

Words and expressions defined or set out in the Conditions and/or the Final Terms or the Pricing Supplement, as the case may be, shall have the same meaning when used in this Global Note.

This Global Note is issued subject to, and with the benefit of, the Conditions and an Amended and Restated Agency Agreement (the **Agency Agreement**, which expression shall be construed as a reference to that agreement as the same may be further amended, novated, restated and/or supplemented, from time to time) dated 17 June 2025 and made between the Issuer, Citibank, N.A., London Branch (the **Agent**) and the other agents named in it.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay to the bearer of this Global Note on each Instalment Date (if the Notes are repayable in instalments) and on the Maturity Date (if any) and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions, the amount payable under the Conditions in respect of the Notes represented by this Global Note on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions together with any other sums payable under the Conditions, upon (if the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is not intended to be a New Global Note) presentation and, at maturity, surrender of this Global Note to or to the order of the Agent or any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes, but in each case subject to the requirements as to certification provided below.

If the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is intended to be a New Global Note, the nominal amount of Notes represented by this Global Note shall be the aggregate amount from time to time entered in the records of both Euroclear Bank SA/NV and Clearstream Banking, S.A. (together, the relevant Clearing Systems). The records of the relevant Clearing Systems (which expression in this Global Note means the records that each relevant Clearing System holds for its customers which reflect the amount of such customers' interest in the Notes) shall be conclusive evidence of the nominal

amount of Notes represented by this Global Note and, for these purposes, a statement issued by a relevant Clearing System (which statement shall be made available to the bearer upon request) stating the nominal amount of Notes represented by this Global Note at any time shall be conclusive evidence of the records of the relevant Clearing System at that time.

If the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is not intended to be a New Global Note, the nominal amount of the Notes represented by this Global Note shall be the amount stated in the Final Terms or the Pricing Supplement, as the case may be, or, if lower, the nominal amount most recently entered by or on behalf of the Issuer in the relevant column in Part 2, 3 or 4 of Schedule One or in Schedule Two.

On any redemption or payment of an instalment or interest being made in respect of, or purchase and cancellation of, any of the Notes represented by this Global Note the Issuer shall procure that:

- (a) if the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered pro rata in the records of the relevant Clearing Systems and, upon any such entry being made, the nominal amount of the Notes recorded in the records of the relevant Clearing Systems and represented by this Global Note shall be reduced by the aggregate nominal amount of the Notes so redeemed or purchased and cancelled or by the aggregate amount of such instalment so paid; or
- (b) if the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is not intended to be a New Global Note, details of such redemption, payment or purchase and cancellation (as the case may be) shall be entered by or on behalf of the Issuer in Schedule One and the relevant space in Schedule One recording any such redemption, payment or purchase and cancellation (as the case may be) shall be signed by or on behalf of the Issuer. Upon any such redemption, payment of an instalment or purchase and cancellation, the nominal amount of the Notes represented by this Global Note shall be reduced by the nominal amount of the Notes so redeemed or purchased and cancelled or by the amount of such instalment so paid.

Payments due in respect of Notes for the time being represented by this Global Note shall be made to the bearer of this Global Note and each payment so made will discharge the Issuer's obligations in respect thereof. Any failure to make the entries referred to above shall not affect such discharge.

Prior to the Exchange Date (as defined below), all payments (if any) on this Global Note will only be made to the bearer hereof to the extent that there is presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a particular nominal amount of the Notes (as shown by its records) a certificate of non-U.S. beneficial ownership in the form required by it. The bearer of this Global Note will not be entitled to receive any payment of interest due on or after the Exchange Date unless upon due certification exchange of this Global Note is improperly withheld or refused.

On or after the date (the **Exchange Date**) which is 40 days after the Issue Date, this Global Note may be exchanged in whole or in part (free of charge) for, as specified in the Final Terms or the Pricing Supplement, as the case may be, either:

- (i) (security printed Definitive Notes and (if applicable) Coupons, Receipts and Talons in the form set out in Part 3, Part 4, Part 5 and Part 6 respectively of Schedule 5 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons, Receipts and Talons and the Final Terms (or the relevant provisions of the Final Terms) or the Pricing Supplement (or the relevant provisions of the Pricing Supplement), as the case may be, have been endorsed on or attached to such Definitive Notes); or

- (ii) either, (a) if the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is intended to be a New Global Note, interests recorded in the records of the relevant Clearing Systems in a Permanent Global Note, or (b) if the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is not intended to be a New Global Note, a Permanent Global Note, which, in either case, is in or substantially in the form set out in Part 2 of Schedule 5 to the Agency Agreement (together with the Final Terms or the Pricing Supplement, as the case may be, attached to it), in each case upon notice being given by a relevant Clearing System acting on the instructions of any holder of an interest in this Global Note.

If Definitive Notes and (if applicable) Coupons, Receipts and/or Talons have already been issued in exchange for all the Notes represented for the time being by the Permanent Global Note, then this Global Note may only thereafter be exchanged for Definitive Notes and (if applicable) Coupons, Receipts and/or Talons in accordance with the terms of this Global Note.

This Global Note may be exchanged by the bearer hereof on any day (other than a Saturday or Sunday) on which banks are open for general business in London. The Issuer shall procure that, as appropriate, (i) the Definitive Notes or (as the case may be) the Permanent Global Note (where the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note shall be a New Global Note) shall, be so issued and delivered, or (ii) the interests in the Permanent Global Note (where the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is intended to be a New Global Note) shall be recorded in the records of the relevant Clearing System, in each case in exchange for only that portion of this Global Note in respect of which there shall have been presented to the Agent by a relevant Clearing System a certificate to the effect that it has received from or in respect of a person entitled to a beneficial interest in a particular nominal amount of the Notes (as shown by its records) a certificate of non-U.S. beneficial ownership from such person in the form required by it. The aggregate nominal amount of Definitive Notes or interests in a Permanent Global Note issued upon an exchange of this Global Note will, subject to the terms hereof, be equal to the aggregate nominal amount of this Global Note submitted by the bearer for exchange.

On an exchange of the whole of this Global Note, this Global Note shall be surrendered to or to the order of the Agent. On an exchange of part only of this Global Note, the Issuer shall procure that:

- (a) if the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is intended to be a New Global Note, details of such exchange shall be entered pro rata in the records of the relevant Clearing Systems; or
- (b) if the Final Terms indicates or the Pricing Supplement, as the case may be, that this Global Note is not intended to be a New Global Note, details of such exchange shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such exchange shall be signed by or on behalf of the Issuer, whereupon the nominal amount of this Global Note and the Notes represented by this Global Note shall be reduced by the nominal amount so exchanged. On any exchange of this Global Note for a Permanent Global Note, details of such exchange shall also be entered by or on behalf of the Issuer in Schedule Two to the Permanent Global Note and the relevant space in Schedule Two to the Permanent Global Note recording such exchange shall be signed by or on behalf of the Issuer.

Until the exchange of the whole of this Global Note, the bearer of this Global Note shall in all respects (except as otherwise provided in this Global Note) be entitled to the same benefits as if they were the bearer of Definitive Notes and the relative Coupons, Receipts and/or Talons (if any) represented by this Global Note. Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the holder of this Global Note as the absolute owner of this Global Note for all purposes.

In the event that this Global Note (or any part of it) has become due and repayable in accordance with the Conditions or that the Maturity Date (if any) has occurred and, in either case, payment in full of the amount due has not been made to the bearer in accordance with the provisions set out above then from 8.00 p.m.

(London time) on such day each Noteholder will become entitled to proceed directly against the Issuer on, and subject to, the terms of the Amended and Restated Deed of Covenant executed by the Issuer on 17 June 2025 (as amended, supplemented, novated and/or restated as at the Issue Date) in respect of the Notes and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under the Amended and Restated Deed of Covenant).

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

If any provision in or obligation under this Global Note is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Global Note, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Global Note.

This Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by the Agent and, if the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safe-keeper by the relevant Clearing Systems.

IN WITNESS whereof the Issuer has caused this Global Note to be duly executed on its behalf.

Words and expressions defined or set out in the Conditions and/or the Final Terms or the Pricing Supplement, as the case may be, shall have the same meaning when used in this Global Note.

This Global Note is issued subject to, and with the benefit of, the Conditions and an Amended and Restated Agency Agreement (the **Agency Agreement**, which expression shall be construed as a reference to that agreement as the same may be further amended, restated and/or supplemented, from time to time) dated 17 June 2025 and made between the Issuer, Citibank, N.A., London Branch (the **Agent**) and the other agents named in it.

For value received the Issuer, subject to and in accordance with the Conditions, promises to pay to the bearer of this Global Note on each Instalment Date (if the Notes are repayable in instalments) and on the Maturity Date (if any) and/or on such earlier date(s) as all or any of the Notes represented by this Global Note may become due and repayable in accordance with the Conditions, the amount payable under the Conditions in respect of the Notes represented by this Global Note on each such date and to pay interest (if any) on the nominal amount of the Notes from time to time represented by this Global Note calculated and payable as provided in the Conditions together with any other sums payable under the Conditions, upon (if the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is not intended to be a New Global Note) presentation and, at maturity, surrender of this Global Note to or to the order of the Agent or any of the other paying agents located outside the United States (except as provided in the Conditions) from time to time appointed by the Issuer in respect of the Notes.

In certain circumstances further notes may be issued which are intended on issue to be consolidated and form a single Series with the Notes. In such circumstances the Issuer shall procure that:

- (a) if the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is intended to be a New Global Note, details of such further notes shall be entered in the records of the

relevant Clearing Systems such that the nominal amount of Notes represented by this Global Note shall be increased by the amount of such further notes so issued; or

- (b) if the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is not intended to be a New Global Note, details of such further notes shall be entered by or on behalf of the Issuer in Schedule Two and the relevant space in Schedule Two recording such further notes shall be signed by or on behalf of the Issuer, whereupon the nominal amount of the Notes represented by this Global Note shall be increased by the nominal amount of any such further notes.

This Global Note may be exchanged in whole but not in part (free of charge) for security printed Definitive Notes and (if applicable) Coupons, Receipts and/or Talons in the form set out in, Part 3, Part 4, Part 5 and Part 6 respectively of Schedule 5 to the Agency Agreement (on the basis that all the appropriate details have been included on the face of such Definitive Notes and (if applicable) Coupons, Receipts and Talons and the Final Terms (or the relevant provisions of the Final Terms) or the Pricing Supplement (or the relevant provisions of the Pricing Supplement), as the case may be, have been endorsed on or attached to such Definitive Notes) either, as specified in the Final Terms or the Pricing Supplement, as the case may be,:

- (a) upon not less than 60 days' written notice being given to the Agent by Euroclear and/or Clearstream, Luxembourg acting on the instructions of any holder of an interest in this Global Note; or
- (b) only upon the occurrence of an Exchange Event.

An **Exchange Event** means:

- (i) an Event of Default has occurred and is continuing;
- (ii) the Issuer has been notified that both the relevant Clearing Systems have been closed for business for a continuous period of 14 days (other than by reason of holiday, statutory or otherwise) or have announced an intention permanently to cease business or have in fact done so and no successor clearing system is available; or
- (iii) the Issuer has or will become subject to adverse tax consequences resulting from a change in law which would not be suffered were the Notes represented by this Global Note in definitive form.

If this Global Note is only exchangeable following the occurrence of an Exchange Event:

- (A) the Issuer will promptly give notice to Noteholders in accordance with Condition 14 upon the occurrence of an Exchange Event; and
- (B) in the event of the occurrence of any Exchange Event, one or more of the relevant Clearing Systems acting on the instructions of any holder of an interest in this Global Note may give notice to the Agent requesting exchange and, in the event of the occurrence of an Exchange Event as described in (iii) above, the Issuer may also give notice to the Agent requesting exchange.

Any such exchange shall occur no later than 45 days after the date of receipt of the first relevant notice by the Agent and will be made on any day (other than a Saturday or Sunday) on which banks are open for business in London. The aggregate nominal amount of Definitive Notes issued upon an exchange of this Global Note will be equal to the aggregate nominal amount of this Global Note at the time of such exchange.

On an exchange of this Global Note, this Global Note shall be surrendered to or to the order of the Agent.

Until the exchange of this Global Note, the bearer of this Global Note shall in all respects (except as otherwise provided in this Global Note) be entitled to the same benefits as if they were the bearer of Definitive Notes

and the relative Coupons, Receipts and/or Talons (if any) represented by this Global Note. Accordingly, except as ordered by a court of competent jurisdiction or as required by law or applicable regulation, the Issuer and any Paying Agent may deem and treat the holder of this Global Note as the absolute owner of this Global Note for all purposes.

In the event that this Global Note (or any part of it) has become due and repayable in accordance with the Conditions or that the Maturity Date (if any) has occurred and, in either case, payment in full of the amount due has not been made to the bearer in accordance with the provisions set out above, then from 8.00 p.m. (London time) on such day each Noteholder will become entitled to proceed directly against the Issuer on, and subject to, the terms of the Amended and Restated Deed of Covenant executed by the Issuer on 17 June 2025 (as amended, supplemented, novated and/or restated as at the Issue Date) in respect of the Notes and the bearer will have no further rights under this Global Note (but without prejudice to the rights which the bearer or any other person may have under the Amended and Restated Deed of Covenant).

No rights are conferred on any person under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Global Note, but this does not affect any right or remedy of any person which exists or is available apart from that Act.

If any provision in or obligation under this Global Note is or becomes invalid, illegal or unenforceable in any respect under the law of any jurisdiction, that will not affect or impair (i) the validity, legality or enforceability under the law of that jurisdiction of any other provision in or obligation under this Global Note, and (ii) the validity, legality or enforceability under the law of any other jurisdiction of that or any other provision in or obligation under this Global Note.

This Global Note and any non-contractual obligations arising out of or in connection with it are governed by, and shall be construed in accordance with, English law.

This Global Note shall not be valid unless authenticated by the Agent and, if the Final Terms or the Pricing Supplement, as the case may be, indicates that this Global Note is intended to be held in a manner which would allow Eurosystem eligibility, effectuated by the entity appointed as common safekeeper by the relevant Clearing Systems.

IN WITNESS whereof the Issuer has caused this Global Note to be duly executed on its behalf.
