**Electronic transfer of funds**

I am writing this letter with the intent to inform you that my Norwegian bank, SpareBank 1 SR-Bank ASA, has terminated all its check services. Therefore, I would need to have all my funds from you transferred electronically.

The reason behind the termination of check services is due to the fact that SpareBank 1 SR-Bank ASA's international corresponding banks has terminated its check deposit service and hence SpareBank 1 SR-Bank will be unable to claim back the funds from any check deposits.

Kindly transfer the funds electronically to my account in SpareBank 1 SR-Bank ASA and make use of the following information:

**Postboks 250**  
**4068 Stavanger**

**Chips UID: 024517**

**Bank Code (If needed): 3185**

SpareBank 1 SR-Bank ASA's BIC: **SPRONO22**

**Beneficiary name and address.....**
